TRICARE ISOS: In a medical emergency, go straight to a Host Nation emergency room. Once you've checked in, please call the TRICARE Eurasia-Africa Call Center to apprise them of your situation. The center is available 24 hours a day and can also provide medical assistance. Toll-free: 0800-1818505.

Host Nation Patient Liaison Services: Patient liaisons are available to help patients in emergency and inpatient situations. They can assist with translating and will visit the patient each day they're in the hospital. There is a patient liaison on-call 24 hours a day, seven days a week. In emergency situations, it's especially important to call so they can report to the clinic and potentially the chain of command that you're being treated in a Host Nation hospital.

After hours: Call the MP station at 112. Services are available 7 days a week.

Sexual Assault: If a person is sexually assaulted during normal duty hours, he or she can walk into their local health clinic and receive immediate care. After duty hours, the person should contact their local victim advocate, chaplain or military police. In turn, they will contact the sexual assault response coordinator who will then contact the closest sexual assault medical team.
