Chapter 1

HOW TO VOTE ABSENTEE

Can You Vote Absentee?

In order to vote in U.S. elections, you must be:

- a citizen of the United States on the date of the election in which you wish to vote, and
- at least 18 years old on Election Day. (Some States allow 17-year-olds to vote in primary elections if they will be 18 on or before the general election.)

The absentee voting process in this book applies to you if you are:

- an active duty member of the U.S. Uniformed Services or Merchant Marine,
- a family member (spouse or dependent)
- a U.S. citizen residing outside the U.S.

States that have adopted the *Uniform Military and Overseas Voters Act (UMOVA)* has expanded the definition of Uniformed Services to include members of the National Guard. It also included U.S. citizens born abroad who have not established a voting residency in the United States. This is in addition to other States that provide this coverage. UMOVA and State information confirming the eligibility of National Guard members, U.S. citizens born abroad who have not established a voting residency in the United States and other U.S. citizens traveling abroad or temporarily living overseas, is available in the State pages in Chapter 2.

If you are not one of the above but will be away from your polling place on Election Day, you may still be able to vote absentee according to your State's absentee voting guidelines. Contact your election office or check your State election website for more information. State websites and local election office addresses are available in your State's pages in Chapter 2.

How Do You Vote Absentee?

Step 1: Register and Request Your Absentee Ballot

You must register and request an absentee ballot in your State of legal residence by completing a Federal Post Card Application (FPCA) according to your State or territory's

specific instructions and submitting it to your local election office.

In most States and territories, one FPCA can be used to request ballots for primary and general elections for Federal offices (President/Vice President, U.S. Senator, U.S. Representative, Delegate or Resident Commissioner). You should submit a new FPCA each year and whenever you change your mailing address.

The FPCA:

- can be completed using our automated assistant at www.fvap.gov, along with a pre-paid envelope template for submitting by mail.
- is available at military bases, U.S. embassies and consulates, election organizations, and corporations worldwide.
- is postage-paid within the U.S. postal system, including APO and FPO addresses, and through diplomatic pouches at some U.S. embassies and consulates. If submitting the FPCA from outside the United States using a foreign mail service, you must affix proper postage and include "USA" in the mailing address.
- may be sent using private courier services. However, they may not deliver to Post Office Boxes and may require the physical address of your local election office.

Many States and territories allow you to return your FPCA by email or fax. Consult your State's pages in Chapter 2 to see what your State allows.

The FPCA and mailing instructions are illustrated on pages 4-5.

Step 2: Your Election Official Processes Your Federal Post Card Application (FPCA) and Sends You a Blank Ballot

Your local election official will process your FPCA to determine if you meet the jurisdiction's residency requirements and will decide which ballot to send you. Your local election official will contact you if there are any questions or if your application has been denied. Therefore, it is important to provide your complete contact information, including your email address, on your FPCA.

You should contact your local election office with questions on the status of your FPCA. Some States have voter registration verification websites where you can find your voter registration status. Links to these sites and contact information for local election officials can be found at www.fvap.gov.

Step 3: Vote Your State Ballot or Use the Back-Up Federal Write-In Absentee Ballot (FWAB)

Vote and return your State ballot as soon as you receive it. If you have registered and requested your ballot by your State's request deadline (or at least 30 days before the election, whichever is later), you may use the Federal Write-in Absentee Ballot (FWAB) any time before the election.

Your completed FWAB must be received by your local election office by the deadline for receipt of State absentee ballots for that election.

In most cases you can only use the FWAB to vote for Federal offices. Some States have expanded the use of the FWAB to include voting for offices other than Federal offices. Some States have also expanded the use of the FWAB for registration and ballot request. Consult your State's pages in Chapter 2 to see what your State allows.

The FWAB consists of:

- Federal Write-In Absentee Ballot Instructions
- Voter's Declaration/Affirmation
- Official Federal Write-In Absentee Ballot with Security Envelope attached
- Mailing Envelope

To complete your FWAB, follow your State's instructions in Chapter 2. Once finished, place your voted ballot inside the security envelope and seal it. Do not write on the outside of the security envelope. Place the security envelope, along with the Voter's Declaration/Affirmation, inside the mailing envelope.

The FWAB:

- can be completed using our automated assistant at www.fvap.gov, along with a pre-paid envelope template for submitting by mail.
- is available in a fillable PDF form at www.fvap.gov. This version of the FWAB does not contain the security or the mailing envelope; however, you may use two plain envelopes: mark one as the security envelope and use the other as a mailing envelope. You may use the online prepaid envelope template as the mailing envelope.
- is available at military bases, U.S. embassies and consulates, election organizations, and corporations worldwide.

- is postage-paid within the U.S. postal system, including APO and FPO addresses and through diplomatic pouches at some U.S. embassies and consulates. If submitting the FWAB from outside the United States using a foreign mail service, you must affix proper postage and include "USA" in the mailing address.
- may be sent using private courier services. However, they may not deliver to Post Office Boxes and may require the physical address of your local election office.

Many States and territories allow you to return your FWAB by email or fax. Consult your State's pages in Chapter 2 to see what your State allows.

If you receive your State absentee ballot after you have submitted the FWAB, you should vote and return that ballot immediately. If the State absentee ballot arrives by your State's deadline, the State will count that ballot instead of the FWAB.

The FWAB and mailing instructions are illustrated on pages 6-9.

Can You Email or Fax Your Voting Materials?

All States allow you to receive the blank absentee ballot by email, fax, or other electronic means. Some States also allow other methods of electronic transmission, including:

- sending the FPCA for registration and/or absentee ballot request by email or fax,
- receive the blank absentee ballot by email or fax,
- a combination of the above.

Any other written correspondence involving voter registration or elections may be emailed or faxed to local election officials in any State.

Sending the FPCA by Email or Fax

Where allowed by State law, you may email or fax the FPCA to your local election official. Follow the steps below:

- Complete and sign the FPCA according to your State's requirements in Chapter 2.
- Complete the Electronic Transmission Sheet included at the end of this chapter (or an alternate cover sheet containing similar information).
- Emailing: Scan the FPCA and save as a PDF file. Email the file as an attachment, along with a scanned copy of the Electronic Transmission Sheet. Email directly to the local election office. Email addresses can be found on the State's election website, available in the State's pages in Chapter 2 or at www.fvap.gov.

You may also use the Electronic Transmission Service to email your FPCA by sending it to ets@fvap.gov.

- Faxing: Use a separate transmittal sheet for each FPCA and send each form separately to ensure that each form is received by the proper election official. It is recommended that you fax the FPCA directly to your local election office. Fax numbers can be found on the State's election website, available in the State's pages in Chapter 2. You may also use the Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet at the end of this chapter or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.
- After emailing or faxing, your State may require that you also mail the completed FPCA to your local election office. Consult your State's pages in Chapter 2 under "How and Where to Submit Your FPCA" to see what your State requires.

Receiving the Blank Ballot by Email or Fax

The State must provide the blank ballot by electronic means when requested. Check FVAP.gov or Chapter Two of this Guide to see blank ballot transmission methods are available from your state (online, email or fax).

Returning the Voted Absentee Ballot by Email or Fax

Where allowed by State law, the voted ballot may be emailed or faxed. Follow the steps below:

- Follow the instructions provided by the local election official in marking and executing your ballot.
- By emailing or faxing the voted ballot, you are waiving the right to secrecy of the ballot. You must sign and date a statement on the Electronic Transmission Sheet indicating, "I understand that by faxing or emailing my voted ballot I am voluntarily waiving my right to a secret ballot."
- Complete the Electronic Transmission Sheet included at the end of this chapter (or an alternate cover sheet containing similar information). Include the number of pages being transmitted for each voted ballot. Retain a receipt of the date and time the voted ballot was successfully transmitted.
- Emailing: Scan all pages of the ballot and save as a PDF file. Email the file as an attachment along with a scanned copy of the Electronic Transmission Sheet.

Email directly to the local election office. Email addresses can be found on the State's election website, available in the State's pages in Chapter 2 or at www.fvap.gov. You may also use the Electronic Transmission Service to email your FPCA by sending it to ets@fvap.gov.

- Faxing: Fax all pages of the voted ballot. Use a separate transmittal sheet for each ballot and send each ballot separately to ensure that each ballot is received by the proper election official. It is recommended that you fax the ballot directly to your local election office. Fax numbers can be found on the State's election website, available in the State's pages in Chapter 2. You may also use the Electronic Transmission Service to fax your ballot toll-free. To use the Electronic Transmission Service, use the cover sheet at the end of this chapter or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.
- After emailing or faxing, your State may require that you also mail the completed ballot to your local election office. Consult your State's pages in Chapter 2 under "How and Where to Submit Your FWAB" to see what your State requires.

Received Your Ballot Electronically, but Need to Return it by Mail?

If your State does not allow you to return your voted ballot by email or fax, you may mail it using the security envelope and ballot transmittal envelope from the Federal Write-In Absentee Ballot (FWAB). Detach the envelopes from the rest of the form. (See FWAB Mailing Instructions on the previous page.) You may also use two plain envelopes: mark one as the security envelope and use the other as the mailing envelope. You may use the prepaid envelope template at www.fvap.gov as the mailing envelope.

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 6, 2012

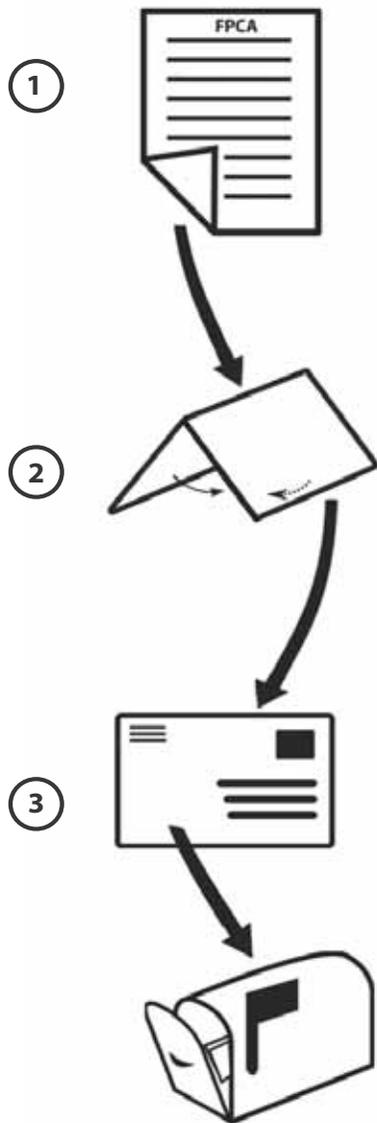

- Voters in other overseas military installations should send voted ballots by October 13, 2012
- Stateside Uniformed Service members and their families should send voted ballots by October 29, 2012.

If you do not receive your State absentee ballot by October 2, 2012, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

On the following pages, you will find the Federal Post Card Application (FPCA), the Federal Write-In Absentee Ballot (FWAB), and the Electronic Transmission Sheet.

You can also find the automated versions of FPCA and the FWAB at www.fvap.gov.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all Federal elections held through the next two regularly scheduled general elections.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Requested but not required. Enter the choice that best describes you from the following list: AI = American Indian or Alaskan Native; AP = Asian or Pacific Islander not Native Hawaiian; B = Black, not of Hispanic Origin; H = Hispanic; M = Multi-racial; NH = Native Hawaiian; W = White, not of Hispanic Origin; O = Other.

Date of Birth

Your valid Alabama Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these

identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Alabama allows you to receive your blank ballot by mail or electronically. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address in Block 5. Please ensure that this email address does not block or filter emails forwarded from your county election official.

Block 7: Complete street address of your Alabama voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: If you do not wish to receive ballots for all Federal elections through the next two regularly scheduled general elections, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.

Provide any information that may assist your election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

You must mail your FPCA directly to your local election official. Addresses can be found at the end of this section.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Alabama's voter registration verification website at: <https://myinfo.alabamavotes.gov/>.

Your jurisdiction will contact you if your application is denied.

Voting Your Ballot

Local election officials send absentee ballots approximately 40 days before an election.

Voted ballots must be postmarked no later than the day before the election (by Election Day for primary runoff elections) and received by the local election official by noon on Election Day (7 days after Election Day for primary runoff elections).

Voted ballots must be returned by mail.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <https://myinfo.alabamavotes.gov/>.

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 6, 2012
- Voters in other overseas military installations should send voted ballots by October 13, 2012
- Stateside Uniformed Service members and their families should send voted ballots by October 29, 2012.
- If you do not receive your State absentee ballot by October 2, 2012, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Alabama allows you to use Federal Write-In Absentee Ballot (FWAB) for voting in general elections for Federal office. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/Affirmation:

Block 1: Alabama does not allow you to use this form for registration. Do not check the registration block.

Block 2: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Requested but not required. Enter the choice that best describes you from the following list: AI = American Indian or Alaskan Native; AP = Asian or Pacific Islander not Native Hawaiian; B = Black, not of Hispanic Origin; H = Hispanic; M = Multi-racial; NH = Native Hawaiian; W = White, not of Hispanic Origin; O = Other.

Date of Birth

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 7: Complete street address of your Alabama voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block

9. This address must be within the county where you claim legal voting residence.

Block 8: Enter your current mailing address.

Block 9: Provide any information that may assist the local election official in accepting this ballot or application.

Affirmation: Sign and date. No witness or notary required.

Vote Your FWAB:

Vote for any Federal office in a general election. To find out the races and candidates for which you can vote, go to www.sos.state.al.us. For each office for which you vote, write in either a candidate’s name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the regular ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all Federal elections held through the next two regularly scheduled general elections after the date the application is submitted.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you are registered non-partisan or undeclared, you must indicate which party ballot you want to receive. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 30 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle). Enter any former name under which you were registered in Alaska.

Block 4: Date of Birth

Your valid Alaska Driver's License number, the last four digits of your Social Security number OR your Alaska State Identification Card number is required for voter registration. If you do not possess any of these

identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Alaska allows you to receive your ballot by mail or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number in Block 9. If you do not make a selection, Alaska will mail your ballot to you.

Block 7: Complete street address of your Alaska voting residence. You may provide your street name and house number, highway name and milepost number, building number and street name on a military base, subdivision with lot and block number. Do not use a post office box number, highway contact number and box, rural route number, commercial address or mail stop address. If in a rural village you may provide community name as your residence address or describe its location in Block 9.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: When initially registering to vote by mail from outside Alaska, you must enclose proof of Alaska residency (such as a copy of a current Alaska Driver's License or a leave and earning statement reflecting Alaska as place of residency) with this application.

Enter your passport or identity card number if you are an overseas citizen. This is not required for Uniformed Service members and their families.

Alternatively, if you are an overseas citizen, were last domiciled in Alaska prior to leaving the U.S. and do not intend to return to Alaska as a resident you may register as a “Federal Voter” and participate in only elections for Federal office. To request this option, write: “I wish to register as a Federal voter and was last domiciled in Alaska prior to leaving the U.S.” You must provide a copy of your valid passport, card of identity and registration, or other identification issued under the authority of the U.S. Secretary of State with this application.

In addition to mailing a regular ballot, Alaska provides a Special Advance Write-In Ballot up to 60 days before the election to any voter outside the U.S. who has requested it. This ballot allows you to vote for Federal, State, and Judicial offices, and any ballot propositions appearing on the ballot. To request it, write in Block 9: “Please send a special advance ballot”.

Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required

To request this option, write: "I wish to register as a Federal voter and was last domiciled in Alaska prior to leaving the U.S." You must provide a copy of your valid passport, card of identity and registration, or other identification issued under the authority of the U.S. Secretary of State with this application.

or undeclared, you must indicate which party ballot you want to receive. State your political party preference each time you request an absentee ballot for a primary election. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Arkansas does not allow you to receive your blank ballot by email or fax. More transmission options may be available. Check www.fvap.gov for updates.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: If you do not wish to receive ballots for all Federal elections through the next two regularly scheduled general elections, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.

Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Arkansas allows you to submit the FPCA by mail, fax or email.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

Voting Your Ballot

Local election officials mail absentee ballots approximately 46 days before an election.

Voted ballots for uniformed service families and overseas citizens must be postmarked no later than Election Day and received by the local election official by 5 pm ten days after the election. This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking your Ballot

You may track the status of your ballot by contacting your county clerk. Contact information is available at: <https://www.voterview.ar-nova.org/>.

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 6, 2012
- Voters in other overseas military installations should send voted ballots by October 13, 2012

- Stateside Uniformed Service members and their families should send voted ballots by October 29, 2012.

If you do not receive your State absentee ballot by October 2, 2012, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Arkansas allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in primary, special, run-off, and general elections for Federal, State, and local offices and non-candidate ballot issues. Feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1: Arkansas allows you to use this form for registration.

Block 2: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 7: Complete street address of your Arkansas voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Enter your current mailing address.

Block 9: Provide any information that may assist the local election official in accepting this ballot or application.

Affirmation: Sign and date. No witness or notary required.

Vote Your FWAB:

To find out the races and candidates for which you can vote, go to www.sos.arkansas.gov/elections.html. For each office for which you vote, write in the candidate's name. Once the

ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for every subsequent Federal election held until the voter fails to return an executed ballot in two consecutive statewide general elections.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: Enter your political party preference. If you do not wish to provide a party preference, enter “no party preference.” In Presidential elections only, California law allows voters who have declined to provide a party preference to vote a party ballot at a primary election if the political party allows it. Find out which political parties allow this at www.sos.ca.gov. If you want to change your political party preference, submit a completed FPCA indicating your new party preference to the local elections official no later than 15 days before the election.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your valid California Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, California shall assign a number that will serve to identify you for voter registration purpose.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: California allows you to receive the blank ballot by mail or fax. Some counties also offer emailed or downloadable

online ballots. Check the county listing at http://www.sos.ca.gov/elections/elections_mov.htm to see what options your county provides. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7: Complete street address of your California voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

California allows you to submit the FPCA by mail, email, or fax. If you choose to email or fax, you should also sign and mail your original request; however, it is not required for processing of form.

Vote Your FWAB:

To find out the races and candidates for which you can vote, go to <http://voterguide.sos.ca.gov/>. For each office for which you vote, write in either a candidate’s name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the

mailing envelope and mail the ballot directly to your local election office. Addresses can be found below.

If you choose to fax your FWAB, you must sign an oath waiving your right to cast the ballot secretly. You should fax back your voted ballot only if doing so is necessary for the ballot to be received before the close of polls on election day.

It is recommended that you fax the form directly to your local election official. Fax numbers can be found at http://www.sos.ca.gov/elections/elections_mov.htm. Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 696-2148, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Registering and Requesting Your Absentee Ballot

Federal Post Card Applications received on or before October 28, 2009 will register you to vote and request absentee ballots for all Federal elections held through the next two regularly scheduled general elections. Applications received after October 28, 2009 will register you to vote and request absentee ballots for all Federal elections held through the next General Election, unless you request otherwise. Voters who have been issued a Colorado driver's license or State ID card may also register to vote, request a ballot, or update their registration online at www.GoVoteColorado.com.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you are an unaffiliated voter and want to participate in a party primary, you must indicate which party ballot you want to receive. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 29 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle). Enter any former name under which you were registered in Colorado.

Block 4: Sex

Date of Birth

Enter your valid Colorado Driver's License number OR Department of Revenue ID number. If you do not have either of these numbers, enter the last four digits of your Social

Security number. If you do not possess any of these identification numbers, write "none" and the State shall assign a number that will serve to identify you for voter registration purposes.

Blocks 5: Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Colorado allows you to receive your ballot by mail, fax, or email. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number or email address in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7: Complete street address of your Colorado voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: Colorado law allows voters to request a permanent absentee ballot. If you wish to receive a ballot by mail for every election that you are eligible to vote in, write "Add my name to the permanent mail-in ballot list." If your address changes, be sure to submit a new FPCA to your local election official.

Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Colorado allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

Information is current as of October 2011. Check www.fvap.gov for updates.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted. Voters should submit a new application after January 1 of each year to qualify for all upcoming Federal elections.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you want to change your party affiliation submit a completed FPCA indicating your new party preference to the local election official. You will have rights in no party for three months from the date of filing your change of political party. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your valid Connecticut Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Connecticut allows you to receive your ballot by mail, fax, or email. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number or email address in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Blocks 7: Complete street address of your Connecticut voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: In addition to mailing a regular ballot, Connecticut provides a State Special Blank Write-In Absentee Ballot up to 90 days before the election to Uniformed Service members and their family members unable to vote in the regular absentee voting process due to military contingencies. This ballot allows you to vote for local, State and Federal offices. To request it, write in Block 6: "Due to military contingencies, I am unable to follow the regular absentee ballot application process. I request a special write-in absentee ballot."

Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Connecticut allows you to submit the FPCA by mail or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to fax your FPCA, you must also submit the FPCA by mail. It is recommended that you fax the form directly to your local election official. Fax numbers can be found at www.sots.state.ct.us. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office. Contact information can be found at: www.sots.state.ct.us.

Your jurisdiction will contact you if your application is denied.

Late Registration

Uniformed Service members who are active duty or who have been discharged within the last year who return to Connecticut after the registration deadline may still register to vote no later than 5 pm on the last weekday before the election.

Registration Application/Ballot Request by Proxy

If you are a Uniformed Service member, family member, or overseas citizen residing temporarily outside the U.S., anyone may ask your local election official to send you registration materials and/or a ballot on your behalf.

Voting Your Ballot

Local election officials send write-in ballots, including a list of all candidates and questions on the ballot, approximately 30 days before primary elections and 45 days before general elections. Local election officials send regular absentee ballots approximately 21 days before primary elections and 31 days before general elections.

Voted ballots must be received by the local election office before the close of polls on Election Day.

No witness or notary is required on voted ballots.

Voted ballots must be returned by mail.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the “Prepaid Expedited Mail- Label 11-DOD”. This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <http://www.dir.ct.gov/sots/LookUp.aspx>

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 6, 2012
- Voters in other overseas military installations should send voted ballots by October 13, 2012
- Stateside Uniformed Service members and their families should send voted ballots by October 29, 2012.

If you do not receive your State absentee ballot by October 2, 2012, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Connecticut allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in primary, special, run-off, and general elections for Federal office. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1: Connecticut does not allow you to use this form for registration. Do not check the registration block.

Block 2: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Enter your valid Connecticut Driver's License number, the last four digits of your Social Security number, OR your State voter registration number.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 7: Complete street address of your Connecticut voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Enter your current mailing address.

Block 9: Provide any information that may assist the local election official in accepting this ballot or application.

Affirmation: Sign and date. No witness or notary required.

Vote Your FWAB:

Vote for any Federal office in a primary, special, run-off, or general election. To find out the races and candidates for which you can vote, go to www.sots.state.ct.us. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

Ballot Request	April 20, 2012	September 4, 2012	November 2, 2012
Ballot Return	April 24, 2012	September 11, 2012	November 6, 2012

These are not mailing deadlines. Mail your voting materials early enough to account for mail delivery times. Check the Recommended Mailing Dates on the next page for details.

Information is current as of October 2011. Check www.fvap.gov for updates.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all Federal elections held through the next regularly scheduled general election.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official. There are two periods during which you may not change your political party affiliation: from 59 days before the Presidential Primary through the day of the Presidential primary, and from the last Saturday in May in the year of the general election through the day of the primary election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your valid Delaware Driver's License number OR your complete Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Blocks 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Delaware allows you to receive the blank ballot by mail, email or fax. Check how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7: Complete street address of your Delaware voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: In addition to mailing a regular ballot, Delaware provides a Special Write-In Absentee Ballot up to 90 days before the general election to any voter unable to vote in the regular absentee voting process due to the requirements of military service or other contingencies. This ballot allows you to vote for local, State and Federal offices. To request it, write in Block 9: "I am unable to vote by regular absentee ballot or in person due to requirements of military service. I request a special write-in ballot."

Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Delaware allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at <http://elections.delaware.gov/locations.shtml>.

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. Fax numbers can be found at <http://elections.delaware.gov/locations.shtml>. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests for all primaries, runoffs, and general elections involving Federal candidates, and any other elections for which you are eligible, for a period extending through the next regularly scheduled general election.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in party primaries, you must indicate which party ballot you want to receive. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Requested but not required. Enter the choice that best describes you from the following list: AI = American Indian or Alaskan Native; AP = Asian or Pacific Islander not Native Hawaiian; B = Black, not of Hispanic Origin; H = Hispanic; M = Multi-racial; NH = Native Hawaiian; W = White, not of Hispanic Origin; O = Other.

Date of Birth

Your Georgia Driver's License number, Georgia State issued ID number, OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Georgia allows you to receive the blank ballot by mail or email. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7: Complete street address of your Georgia voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: A completed FPCA indicates that you want to receive ballots for all primaries, runoffs, and general elections involving Federal candidates, and any other elections for which you are eligible, for a period extending through the next regularly scheduled general election. If only a single election is being requested, you must specify that election here.

Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Georgia allows you to submit the FPCA by mail, email or fax if you are already registered. If you are not already registered, you must submit your FPCA by mail.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at www.sos.ga.gov/UOCAVA.

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at www.sos.ga.gov/elections/contactinformation.htm. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Georgia's voter registration verification website at: www.sos.ga.gov/MVP.

Ballot Request by Proxy

Your mother, father, grandparent, aunt, uncle, sister, brother, spouse, son, daughter, niece, nephew, mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, or grandchild (18 years of age or older) may request in writing to the local registrar that an absentee ballot be mailed to you if you are temporarily residing outside the county.

Voting By Citizens Who Have Never Lived in the U.S.

If a U.S. citizen outside the U.S. has never lived in the U.S. and either parent is a qualified Georgia voter, then he or she is eligible to register and vote where his or her parent is a qualified voter.

Voting Your Ballot

Local election officials begin mailing ballots approximately 45 days before an election.

In addition to mailing a regular ballot, Georgia provides a State Special Write-In Absentee Ballot with the regular ballot for use in potential runoff primaries and runoff elections. The SWAB will automatically be included with any absentee ballot sent to military and overseas citizens for any general primary or general election. The SWAB can also be downloaded at: www.sos.ga.gov/elections/uocava.

Voted ballots must be postmarked by Election Day and received by the local election official no later than three days after the election.

You must sign the self-administered Oath of Elector. If you receive assistance due to physical disability or illiteracy, the person providing assistance must complete and sign the necessary oath of assistance.

Voted ballots must be returned by mail.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <http://www.sos.georgia.gov/MVP>.

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 6, 2012
- Voters in other overseas military installations should send voted ballots by October 13, 2012
- Stateside Uniformed Service members and their families should send voted ballots by October 29, 2012.

If you do not receive your State absentee ballot by October 2, 2012, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Georgia allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in general, special,

run-off, and primary elections for Federal, State, and local offices. Feel free to use the FWAB to vote anytime before an election.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

Complete the Following Blocks of the FWAB's Voter Declaration/Affirmation:

Block 1: Georgia allows you to use this form for registration if you are otherwise eligible to vote in Georgia.

Block 2: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Enter your Georgia Driver's License number, Georgia State issued ID number, the last four digits of your Social Security number, OR your State voter registration number.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 7: Complete street address of your Georgia voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Enter your current mailing address.

Block 9: Provide any information that may assist the local election official in accepting this ballot or application.

AffiRoomation: Sign and date. No witness or notary required.

Vote Your FWAB:

To find out the races and candidates for which you can vote, go to www.sos.ga.gov/elections. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the regular ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Idaho allows you to use the Federal Write-In Absentee Ballot (FWAB) voting in any election for Federal, State, and local offices and non-candidate ballot issues. Feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1: Idaho does not allow you to use this form for registration. Do not check the registration block.

Block 2: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: To vote in primary elections, you must enter your political party affiliation. If you want to vote for partisan contests in primary elections, you must affiliate with the Constitution, Democratic, Republican, or Libertarian party. If you are not affiliated with a political party, you are only entitled to receive a non-partisan ballot unless a party elects to open its primary to unaffiliated voters. Political

party affiliation is not required if only requesting absentee ballots for general elections.

Block 7: Complete street address of your Idaho voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Enter your current mailing address.

Block 9: Provide any information that may assist the local election official in accepting this ballot or application.

Affirmation: Sign and date. No witness or notary required.

Vote Your FWAB:

To find out the races and candidates for which you can vote, go to www.idahovotes.gov. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for regular State absentee ballots. If you receive the regular ballot after submitting the voted FWAB, you may also vote and return the regular ballot. If both ballots are received by the deadline, only the regular ballot will be counted.

Idaho does not allow you to return the FWAB by email or fax unless a special declaration is made by the Secretary of State before the election. Please refer to www.idahovotes.gov to see if a declaration has been made.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB to your local election official.

Information is current as of October 2011. Check www.fvap.gov for updates.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted. Voters should submit a new application after January 1 of each year.

Registration is not required for Uniformed Service members, family members, and overseas citizens. You must still complete the FPCA to request an absentee ballot. Registration is required only for overseas citizens who would like to receive absentee ballots for State and local offices.

If you are a U.S. citizen residing temporarily overseas and would like to register, you must submit your FPCA so that it is received by the local election office no later than 30 days before the election.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your valid Illinois Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Illinois allows you to receive the absentee ballot by mail, email, fax or via Illinois' secured ballot upload system. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 9. If you do not make a selection, your local election official will mail your ballot to you.

Block 7: Complete street address of your Illinois voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No notary or witness required.

How and Where to Submit Your FPCA:

Illinois allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. You must also submit the FPCA by mail. Email directly to your local election office. Contact information available at www.elections.il.gov.

If you choose to fax your FPCA, fax the form directly to your local election official. You must also submit the FPCA by mail. Fax numbers can be found at www.elections.il.gov. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your absentee ballot request, contact your local election office. Contact information can be found at www.elections.il.gov.

Your jurisdiction will contact you if your application is denied.

Ballot Request by Proxy

If you are a member of the U.S. Uniformed Services, and your spouse, dependent, mother, father, sister, or brother is registered to vote in your election precinct, he or she may use a special application provided by the election official to request an absentee ballot on your behalf.

Late Registration

Uniformed Service members discharged within 60 days of an election, and their families, who return to Illinois after the registration deadline may vote in person in that election by affidavit.

Voting By Citizens Who Have Never Lived in the U.S.

A U.S. citizen who was born abroad, who is eligible to vote and who has never lived in the U.S. may register and vote in the county where a parent would be eligible to register and vote. Use the most recent residential address in Illinois of a parent.

Voting Your Ballot

Local election officials send ballots 45 days before an election.

If regular absentee ballots are not available 60 days before the general election, local election officials mail a Special Write-In Ballot with a list of candidates and referenda for which the voter is qualified to vote.

Voted ballots must be received by the local election office by 7 pm on Election Day or by the 14th day after the election if postmarked by the day before Election Day.

No witness or notary is required on voted ballots.

You may return the voted ballot and signed affidavit by mail, email, fax, or Illinois' secure ballot upload system. However, you must return the hard copy ballot, along with your original signature, in order for the ballot to be counted. Use FPCA mail, email and fax instructions under "How and Where to Submit Your FPCA." To use the secure ballot upload system, you must have received a user ID and password from your local election official.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <https://move.elections.il.gov/>.

Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

Illinois allows you to submit the FWAB by mail, email, or fax. However, you must return the hard copy FWAB, along with your original signature, in order for the FWAB to be counted.

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found below.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all regularly scheduled Federal elections conducted until December 31 following the date of the receipt of the application.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 45 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your valid Indiana Driver's License number is required. If you do not possess an Indiana Driver's License, provide the last four digits of your Social Security number. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Blocks 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required. You must provide an email address to vote by email.

Block 6: Indiana allows you to receive your ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Blocks 7: Complete street address of your Indiana voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Indiana allows you to submit the FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at www.in.gov/sos/elections.

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at www.in.gov/sos/elections. You may use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available

in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Indiana's voter registration website at: <http://www.indianavoters.com>.

Your jurisdiction will contact you regarding the status of your application.

Late Registration

Uniformed Service members and their families may register after the registration deadline if their registration is received before poll books are prepared. After the poll books are prepared, members and their families may still register if the voter was absent from Indiana before the registration deadline, returns to Indiana after the registration deadline, AND shows the local election office a discharge or a government movement order dated on or after the beginning of the last registration period.

Voting Your Ballot

Local election officials mail ballots no later than 45 days before primary, general and special elections to previously approved absentee ballot applicants.

Voted ballots mailed from within the U.S. must be received by the local election official before the close of polls on Election Day.

Voted ballots mailed from outside the U.S. must be postmarked no later than Election Day and received by the local election official no later than noon 10 days after the election.

No witness or notary is required on voted ballots.

Voted ballots may be returned by mail, email or fax. If you received your ballot by mail, it must be returned by mail. To email your voted ballot, you may return it directly to your county election office or you may send it as an attachment to the DoD Electronic Transmission Service at: ets@fvap.gov with instructions to forward the email to your local election office. To fax your voted ballot, use FPCA fax instructions under "How and Where to Submit Your FPCA."

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This

label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <https://indianavoters.com>, and click link for "Confirm My Voter Registration" and then the link for "Absentee."

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 6, 2012
- Voters in other overseas military installations should send voted ballots by October 13, 2012
- Stateside Uniformed Service members and their families should send voted ballots by October 29, 2012.

If you do not receive your State absentee ballot by October 2, 2012, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Indiana allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in any Federal, State, and local election. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1: Indiana does not allow you to use this form for registration or ballot request. Do not check the registration box.

Block 2: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your valid Indiana Driver's License number is required. If you do not possess an Indiana Driver's License, provide the last four digits of your Social Security number. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 7: Complete street address of your Indiana voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Enter your current mailing address.

Block 9: Provide any information that may assist the local election official in accepting this ballot or application.

Affirmation: Sign and date. No witness or notary required.

Vote Your FWAB:

To find out the races and candidates for which you can vote, go to www.in.gov/sos/elections. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Indiana allows you to submit the FWAB by mail, email, or fax.

If you choose to mail your FWAB, the deadlines for mailing the FWAB are the same as for State absentee ballots. Insert the

sealed security envelope and the Voter's Declaration/ Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found below.

If you choose to email your FWAB, you should send the ballot as a signed, scanned attachment. Include ballot, voter affirmation, and cover sheet with secrecy waiver. Email directly to your local election office. Email addresses can be found at www.indianavoters.com, and click on "Contact My County Election Office."

If you choose to fax your FWAB, it is recommended that you fax the ballot directly to your local election official. Fax numbers can be found at www.indianavoters.com and click on "Contact My County Election Office". Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Information is current as of October 2011. Check www.fvap.gov for updates.

* Iowa has a Caucus system for selecting Presidential Nominees.

Registering and Requesting Your Absentee Ballot

A Federal Post Card Application registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted.

Iowa does not have registration deadlines for Uniformed Service members, their families, and overseas citizens. You must still register and request an absentee ballot using the form and submit it in time for the ballot to be sent to you, voted, and returned by the ballot return deadline.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Sex

Date of Birth

Your valid Iowa Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers you must write "none" in the space provided. The State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Iowa allows you to receive your blank ballot by mail, email or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7: Complete street address of your Iowa voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county in Iowa where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: If you wish to receive ballots for local elections as well as Federal elections please indicate that here.

In addition to mailing a regular ballot, Iowa provides a State Write-In Absentee Ballot 90 days before the general election to any overseas voter unable to vote in the regular absentee voting process. This ballot allows you to vote for local, State and Federal offices in the general election. To request it, write in: "To the best of my belief I will be outside the continental United States and unable to vote and return a regular absentee ballot by normal mail delivery within the period provided for regular absentee ballots. I request a special write-in absentee ballot."

Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Iowa allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to uocava@sos.state.ia.us.

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at www.sos.state.ia.us. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Iowa's voter registration verification website at: <https://www.sos.state.ia.us/elections/votereg/regtovote/search.aspx>.

www.sos.state.ia.us/elections/votereg/regtovote/search.aspx.

To find out the status of your ballot, refer to Iowa's voter ballot tracking website at: <https://www.sos.ia.us/elections/absenteeballotstatus/search.aspx>.

Your jurisdiction will contact you if your application is denied.

Registration/Ballot Request by Proxy

Within 70 days of the general election, your spouse, parent, parent-in-law, adult brother, adult sister, or adult child who resides in your Iowa county of voting residence may request registration and an absentee ballot on your behalf from the local election office. These proxy requests must be on the official form, available from local election offices and the Iowa Secretary of State.

Late Registration

Uniformed Service members who have been discharged within thirty days of an election, and their families, may register and vote in that election by providing the local election office with their discharge papers.

Voting by Citizens Who Have Never Lived in the U.S.

If a U.S. citizen outside the U.S. has never lived in the U.S. and either parent is a qualified Iowa voter, then that person is eligible to register and vote where his or her parent is a qualified voter.

Voting Your Ballot

Local election officials send ballots approximately 45 days before primary and general elections.

Voted ballots must be postmarked no later than the day before the election and received by the local election office no later than noon on the Monday after the election.

No witness or notary is required on voted ballots.

The mandatory voter's affidavit on the ballot return envelope acts as a registration form. You will be registered to vote when you return the voted ballot, if you are not already registered.

Iowa allows voters who are casting the ballot from an area in which members of the Uniformed Services are eligible to receive imminent danger pay to return the voted ballot by email or fax. All other Uniformed Service members, family members, and overseas citizens must return the voted ballot by mail.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the “Prepaid Expedited Mail- Label 11-DOD”. This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <https://www.sos.state.ia.us/elections/AbsenteeBallotStatus/search.aspx>.

For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

Block 6: Kansas allows you to receive the blank ballot by mail, fax, or email. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number or email address in Block 5. If you do not make a

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: Provide any information that may assist the local election official in accepting this application.

Tracking Your Ballot

You may track the status of your ballot at: <https://myvoteinfo.voteks.org>.

Recommended Mailing Dates for the November 2012 General Election

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all elections after the date the application is received up to and including the next general election.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: You must register as Democrat or Republican to vote in that party's primaries. If you register as "other," you can only vote in nonpartisan primaries. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Social Security number. If you do not possess a Social Security number, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Kentucky allows you to receive the blank ballot by email, mail or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7: Complete street address of your Kentucky voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Kentucky allows you to submit the FPCA by email, mail or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at <http://www.elect.ky.gov/countyclerks.htm>.

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. Fax numbers can be found at <http://www.elect.ky.gov/countyclerks.htm>. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office, refer to Kentucky's voter registration verification website at: www.elect.ky.gov/vic, or refer to Kentucky's voter registration verification website at: www.elect.ky.gov/registrationinfo/military_overseas.htm.

Your jurisdiction will contact you if your application is denied.

Voting Your Ballot

Local county election officials send absentee ballots 50 days before primary and general elections.

Voted ballots must be received by the local election office by close of polls on Election Day.

No witness or notary is required on voted ballots.

Voted ballots must be returned by mail.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <https://cdcbps.ky.gov/ABD2Web/>.

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 6, 2012
- Voters in other overseas military installations should send voted ballots by October 13, 2012

- Stateside Uniformed Service members and their families should send voted ballots by October 29, 2012.

If you do not receive your State absentee ballot by October 2, 2012, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Kentucky allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in general elections for Federal office. If you are registered, feel free to use the FWAB to vote anytime before an election.

Complete Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1: Kentucky does not allow you to use this form for registration. Do not check the registration box.

Block 2: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 7: Complete street address of your Kentucky voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Enter your current mailing address.

Block 9: Provide any information that may assist the local election official in accepting this ballot or application.

Affirmation: Sign and date. No witness or notary required.

Vote Your FWAB:

Vote for any Federal office in a general election. To find out the races and candidates for which you can vote, go to www.elect.ky.gov. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security

envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

The Federal Post Card Application registers you to vote and requests absentee ballots for all elections through the two subsequent regularly scheduled Federal general elections.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Sex

Date of Birth

Your valid Louisiana Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, you may use one of the following: a current and valid photo identification or a current utility bill, bank statement, government check, paycheck, or other government document showing the name and address of the applicant.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Louisiana allows you to receive your ballot by mail, fax or email. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number and/or email address in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7: Complete street address of your Louisiana voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the parish where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Louisiana allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at www.geauxvote.com.

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. Fax numbers can be found at www.geauxvote.com. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Louisiana's voter registration verification website at: www.geauxvote.com.

Your jurisdiction will contact you if your registration is denied.

Voting Your Ballot

Local election officials send ballots approximately 20 days before primary elections, 13 days before State general elections, and 45 days before Federal elections.

When you receive your primary ballot, you will also receive the State Green Ballot. Filling out the Green Ballot by numbering the candidates according to your preferences and submitting it ensures you have voted in the general election.

Voted ballots must be received by the local elections office no later than the day of the election.

Louisiana allows you to return the voted ballot by mail or fax. Use FPCA fax instructions under "How and Where to Submit Your FPCA."

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: www.geauxvote.com, and click the "Are you a voter?" box.

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the

military postal system should send voted ballots by October 6, 2012

- Voters in other overseas military installations should send voted ballots by October 13, 2012
- Stateside Uniformed Service members and their families should send voted ballots by October 29, 2012.

If you do not receive your State absentee ballot by October 2, 2012, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Louisiana allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in general elections for Federal office. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Louisiana allows you to submit the FWAB by mail.

When mailing your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found at the end of this section.

You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov. Include ballot, voter affirmation, and cover sheet with secrecy waiver.

* Maine has a Caucus system for selecting Presidential Nominees.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for 2 years from the date of the receipt of the application.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you are currently registered and want to change your political party affiliation and have been enrolled in the political party for at least three months, the FPCA must be received by your election official no later than 15 days before the election. If you are currently registered and have previously declined to indicate a political party and you now want to vote in a primary election, you must submit the FPCA to the election official any time before the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Enter your valid Maine Driver's License number. If you do not have a Maine Driver's License, enter the last four digits of your Social Security number. If you do not possess either of these identification numbers, write "none" and the State

shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow the election official to follow up if more information is required.

Block 6: Maine allows you to receive your ballot by mail or electronically via download from a secure website or by fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number or email address in Block 5. Please ensure that this email address does not block or filter emails forwarded from the election official. If you do not make a selection, then the election official will mail your ballot to you.

Block 7: Complete street address of your Maine voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the municipality where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: Provide the name of the municipality and State where you were registered to vote before you registered at your current Maine voting residence. This address must be different from the one in Block 7. If you have not registered to vote before, write "none."

In addition to mailing a regular ballot, Maine provides a State Write-In Absentee Ballot up to 3 months before the election to any voter living outside the U.S. who believes they cannot receive and return their voted ballot in a timely manner. To request it, write in Block 9: "I will be unable to

vote by regular absentee ballot. I request a blank absentee ballot.”

Provide any information that may assist the election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Maine allows you to submit the FPCA by mail, fax, or as a scanned attachment to an email.

If you choose to mail your FPCA, mail the form directly to:

Bureau of Corporations, Elections, and Commissions
Division of Elections
101 State House Station
Augusta, Maine 04333-0101

If you choose to fax your FPCA, fax the form directly to the election official at 207-287-5428 or toll-free within the United States at 877-443-1302. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

If you choose to email, email the signed, scanned form to UOCAVA.CEC@maine.gov. You may also use our Electronic Transmission Service by sending the form as an attachment to ets@fvap.gov.

Follow-Up on Your FPCA

If you are a UOCAVA voter and you have requested an absentee ballot but not yet received it, please contact the Division of Elections toll-free within the United States at 1-888-VOTESME (1-888-868-3763) or UOCAVA.CEC@maine.gov.

The Maine Division of Elections will contact you if your registration is denied.

Ballot Request by Proxy

A family member (spouse or domestic partner, parent, sibling, child, stepparent, stepchild, stepsister, stepbrother, in-law, grandparent, grandchild, step-grandparent, step-grandchild, guardian or former guardian) may make a written request for an absentee ballot on your behalf. The request must be signed by the family member and indicate the family relationship. The request may be made to the election official either in person, by mail or fax. The election official may mail the ballot directly to you or issue

the ballot to the family member who must deliver the ballot to you.

You may designate a third person (other than an immediate family member) to receive the ballot on your behalf by submitting a signed application or written request by mail or fax to the election office. The election official must issue the ballot to the designee who must then deliver the ballot to you. You must have the ballot return envelope signed by a notary public, a clerk of courts, or two other individuals (one of whom may be the ballot carrier).

Ballot Request by Phone

Maine allows registered voters to request an absentee ballot by telephone. Only the voter may request a ballot by telephone. You may request your ballot by contacting the Maine Division of Elections toll-free within the United States at (207) 624-7650 or 1-888-VOTESME (1-888-868-3763).

Ballot Request Online

If you are already registered, you may request your ballot online. Please go to <http://www.maine.gov/cgi-bin/online/AbsenteeBallot/index.pl>, the Maine Division of Elections online absentee ballot request website.

Voting Your Ballot

The Maine Division of Elections sends absentee ballots approximately 45 days before elections for Federal and State offices if a ballot request is received by the Division of Elections by this date.

Voted ballots must be received by the Maine Division of Elections by 8 pm on Election Day.

You must seal your voted ballot in its return envelope and sign a certification as to its authenticity on the envelope or complete the affidavit you print when you download your ballot (if delivered electronically). If you received assistance in reading and/or marking your voted ballot, the ballot return envelope must be signed by the aide and witnessed by one other individual.

If you are unable to return your voted ballot by mail by the Election Day deadline, contact the Maine Division of Elections by email at UOCAVA.CEC@maine.gov, or fax to **207-287-5428** or toll-free in the U.S. to **1-877-443-1302** to receive authorization and instructions to submit the FWAB electronically. Use FPCA fax instructions under “How and Where to Submit Your FPCA.” All other voted ballots must be returned by mail.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the “Prepaid Expedited Mail- Label 11-DOD”. This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot by sending an email to UOCAVA.CEC@maine.gov. In your email provide your name, date of birth and municipality where you are registered to vote.

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

Vote Your FWAB:

Vote for any Federal, State, or county office in a general or primary election. To find out the races and candidates for which you can vote, go to www.maine.gov/sos/cec/elec. For each Federal office in a general election for which you vote, write in either a candidate's name or a political party

designation. For all other offices and elections, you must write a candidate's name.

Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The FWAB must be received by the Maine Division of Elections by the ballot return deadline. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Maine allows you to submit the FWAB by mail.

If you are unable to return your voted ballot by mail by the deadline, contact the Maine Division of Elections by email at UOCAVA.CEC@maine.gov, or fax to **207-287-5428** or toll-free in the U.S. to **1-877-443-1302** to receive authorization and instructions to submit the FWAB electronically.

Information is current as of October 2011. Check www.fvap.gov for updates.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all elections conducted during the calendar year in which it is submitted.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your valid Michigan Driver's License number, Personal Identification Card number OR the last four digits of your Social Security number is required for voter registration. If you do not possess any of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Michigan allows you to receive the absentee ballot by mail, email, or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7: Complete street address of your Michigan voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This

address must be within the city or township where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Michigan allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Contact information available at www.michigan.gov/sos.

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at www.michigan.gov/sos. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Michigan's voter registration verification website at: <https://webapps.sos.state.mi.us/mivote/>.

Your jurisdiction will contact you regarding the status of your application.

Ballot Request by Letter

You may submit a signed letter to your local election office to request a ballot. The letter must include your printed name and signature, voting residence address, address to which the absentee ballot should be sent, and the date of the election.

Voting by Citizens Who Have Never Lived in the U.S.

Michigan allows a U.S. overseas citizen who is 18 years old, not registered to vote anywhere else in the U.S. and who is a spouse or dependent of a Michigan resident to register and vote in Michigan elections even though they have never established Michigan residency.

Voting Your Ballot

Local election officials send absentee ballots 45 days before primary and general elections.

Voted ballot must be received by the local election office by the close of polls on Election Day.

No witness or notary is required on voted ballots.

Voted ballots must be returned by mail.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <https://webapps.sos.state.mi.us/mivote/>.

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 6, 2012
- Voters in other overseas military installations should send voted ballots by October 13, 2012
- Stateside Uniformed Service members and their families should send voted ballots by October 29, 2012.

If you do not receive your State absentee ballot by October 2, 2012, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Michigan allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in Federal general, special, and primary elections for Federal offices. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1: Michigan does not allow you to use this form for registration. Do not check the registration box.

Block 2: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 7: Complete street address of your Michigan voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This

address must be within the city or township where you claim legal voting residence.

Block 8: Enter your current mailing address.

Block 9: Provide any information that may assist the local election official in accepting this ballot or application.

Affirmation: Sign and date. No witness or notary required.

Vote Your FWAB:

To find out the races and candidates for which you can vote, go to www.michigan.gov/sos. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

Information is current as of October 2011. Check www.fvap.gov for updates.

* Minnesota has a Caucus system for selecting Presidential Nominees.

Registering and Requesting Your Absentee Ballot

Registration is not required. You must still complete the Federal Post Card Application to request an absentee ballot. The form registers you to vote and requests absentee ballots for all regularly scheduled elections only for the calendar year in which it is submitted.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Enter your valid Minnesota Driver's License number, State identification number, passport number, OR the last four digits of your Social Security number. If you do not have access to any of these numbers, leave this block blank.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Minnesota allows you to receive your absentee ballot by mail, email, or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7: Complete street address of your Minnesota voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block

9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Minnesota allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you must send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at <https://minnesota.overseasvotefoundation.org/>.

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at <https://minnesota.overseasvotefoundation.org/>. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your absentee ballot request, visit <https://minnesota.overseasvotefoundation.org/>.

Your jurisdiction will contact you if your application is denied.

Voting Your Ballot

Local election officials send absentee ballots approximately 46 days before elections.

Voted ballots must be received by the last mail delivery on Election Day.

No witness or notary is required on voted ballots.

Voted ballots must be returned by mail, package delivery service, or the diplomatic pouch at a U.S. embassy or consulate.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the “Prepaid Expedited Mail- Label 11-DOD”. This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: https://minnesota.overseasvotefoundation.org.

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 6, 2012
- Voters in other overseas military installations should send voted ballots by October 13, 2012
- Stateside Uniformed Service members and their families should send voted ballots by October 29, 2012.

If you do not receive your State absentee ballot by October 2, 2012, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Minnesota allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in all elections for Federal, State, and local offices and as a request for absentee ballots any subsequent elections held in that calendar year. The FWAB serves as a voter registration in lieu of the voter's FPCA.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1: Minnesota does not require voter registration. Do not check the registration block.

Block 2: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Enter your valid Minnesota Driver's License number, the last four digits of your Social Security number, passport number, OR your State identification number. If you do not have access to any of these numbers, leave this block blank.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 7: Complete street address of your Minnesota voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Enter your current mailing address.

Block 9: Provide any information that may assist the local election official in accepting this ballot or application.

Affirmation: Sign and date. No witness or notary required.

Vote Your FWAB:

Vote for any Federal, State, or local office in a general election. To find out the races and candidates for which you

can vote, go to www.sos.state.mn.us. For each Federal office for which you vote, write in either a candidate's name or a political party designation. For State and local offices, write in the candidate's name. (Political party designation is not sufficient for State and local offices).

Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

Registering and Requesting an Absentee Ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots. The FPCA serves as a request for an absentee ballot for the next Federal general election including all primary elections associated with the election.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your valid Mississippi Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Mississippi allows you to receive your ballot by mail, fax or email. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number or email address in Block 5. If you do not make a selection, then your local election official will mail your ballot to you. More transmission options may be available. Check www.fvap.gov for updates.

Block 7: Complete street address of your Mississippi voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Mississippi allows you to submit the FPCA by mail, fax or email.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your circuit clerk. Their addresses can be found at http://sos.ms.gov/elections_voter_info_center2.aspx.

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at http://www.sos.ms.gov/elections_voter_info_center.aspx. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office. Contact information can be found at http://sos.ms.gov/elections_voter_info_center2.aspx.

Your jurisdiction will contact you if your registration is denied.

Ballot Request by Proxy

Another person may request that the local election office send a State registration affidavit and/or an absentee ballot application to you. Your oral authorization (by telephone) or written authorization may be required.

Voting Your Ballot

Local election officials send absentee ballots approximately 45 days before elections.

Voted ballots must be received by the local election office no later than 5 pm the day before the election (or 7 pm on Election Day for active duty overseas Uniformed Service members).

No witness or notary is required on voted ballots.

You may return your voted ballot by mail, fax, or email directly to your circuit clerk. Use FPCA email and fax instructions under “How and Where to Submit Your FPCA.”

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the “Prepaid Expedited Mail- Label 11-DOD”. This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can

return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: http://www.sos.ms.gov/elections_voter_info_center.aspx or email your local Circuit Clerk.

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 6, 2012
- Voters in other overseas military installations should send voted ballots by October 13, 2012
- Stateside Uniformed Service members and their families should send voted ballots by October 29, 2012.

If you do not receive your State absentee ballot by October 2, 2012, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Mississippi allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in primary, special, run-off, and general elections for Federal, State, and local offices, and non-candidate ballot issues. Feel free to use the FWAB to vote anytime before an election. You may not need to fill out this entire form. Check the instructions below to see what information your State requires.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1: Mississippi allows you to use this form for registration only if you are eligible to register and vote in the State, and if you provide information sufficient for registration.

Block 2: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Enter your valid Mississippi Driver's License number, the last four digits of your Social Security number, OR your State voter registration number

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 7: Complete street address of your Mississippi voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Enter your current mailing address.

Block 9: Provide any information that may assist the local election official in accepting this ballot or application.

Affirmation: Sign and date. No witness or notary required.

Vote Your FWAB:

To find out the races and candidates for which you can vote, go to <http://www.sos.ms.gov/elections.aspx>. For each office for which you vote, write in a candidate's name. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Mississippi allows you to submit the FWAB by mail, fax or email directly to your circuit clerk.

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the

mailing envelope and mail the FWAB directly to your local election office. Addresses can be found below.

If you choose to email your FWAB, you should send the ballot as a signed, scanned attachment. Include ballot, voter affirmation, and cover sheet with secrecy waiver. Email directly to Circuit Clerk (contact information here: http://www.sos.ms.gov/elections_voter_info_center2.aspx) or UOCAVA@sos.state.ms.us.

If you choose to fax your FWAB, fax it directly to your local election official. Fax numbers can be found at www.sos.state.ms.us/elections/elections.asp. Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Information is current as of October 2011. Check www.fvap.gov for updates.

Registering and Requesting Your Absentee Ballot

Registration is not required if you are voting in elections for Federal offices only. You must still complete the Federal Post Card Application to request an absentee ballot. The form requests absentee ballots for both the primary and subsequent general election. FPCAs received in 2008 and 2009 are valid as requests for absentee ballots through the 2010 general election.

You may also submit the FPCA by the listed registration deadline to register permanently in Missouri and vote a full ballot. If you do not register permanently, you will not be qualified to vote in person at the polls.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party preference. If you do not enter a preference, the local election official is authorized to provide that part of the ballot for which no political party designation is required. Political party preference is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your valid Missouri Driver's License number AND the last four digits of your Social Security number are required for voter registration. If you do not possess either of these identification numbers please write "none" on the form, and the State shall assign you a unique identifying number.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Missouri does allow you to receive your blank ballot by email or fax. Please rank your preference of how you would like to receive your absentee ballot. More transmission options may be available. Check www.fvap.gov for updates.

Block 7: Complete street address of your Missouri voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: In addition to mailing a regular ballot, Missouri provides a State special write-in absentee ballot to any voter unable to vote in a general election due to military service or living in an isolated or extremely remote area. You must request the State special write-in ballot within 80 days of a general election. To request it, write in Block 9: "I am unable to vote by any other means due to requirements of military service or due to living in isolated or extremely remote areas of the world. I request a special write-in absentee ballot."

If you do not wish to receive ballots for all Federal elections through the next Federal election cycle, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here

Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Missouri allows you to submit the FPCA by mail, email, or fax if you are using the FPCA as a ballot request only. If you are using the FPCA to register, you must submit the form by mail.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. You must also submit the FPCA by mail. Email directly to your local election office. Email addresses can be found at <http://www.sos.mo.gov/elections/countyclerks.asp>.

If you choose to fax your FPCA, you must also submit the FPCA by mail. It is recommended that you fax the form directly to your local election official. Fax numbers can be found at <http://www.sos.mo.gov/elections/countyclerks.asp>. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Missouri's voter registration verification website at: www.govotemissouri.com.

Your jurisdiction will contact you if your application is denied.

Ballot Request by Proxy

Your spouse, grandparent, parent, sibling, child or grandchild may request in person to the local election official that an absentee ballot be mailed to you.

Voting Your Ballot

Local election officials send absentee ballots approximately 42 days before elections.

Voted ballots must be received by local election office by 7 pm on Election Day.

No witness or notary is required on voted ballots.

Missouri allows you to return the voted ballot by email or fax only if a special declaration is made by the Secretary of State before the election. Please refer to www.sos.mo.gov to see if a declaration has been made. Use FPCA email and fax instructions under "How and Where to Submit Your FPCA." All other voted ballots must be returned by mail.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <http://www.sos.mo.gov/elections/military/default.asp#trackBallot>.

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 6, 2012
- Voters in other overseas military installations should send voted ballots by October 13, 2012
- Stateside Uniformed Service members and their families should send voted ballots by October 29, 2012.

If you do not receive your State absentee ballot by October 2, 2012, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Missouri allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in primary, special, run-off, and general elections for Federal office. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1: Missouri does not allow you to use this form for registration. Do not check the registration box.

Block 2: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Enter your valid Missouri Driver's License number OR the last four digits of your Social Security number.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 7: Complete street address of your Missouri voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Enter your current mailing address.

Block 9: Provide any information that may assist the local election official in accepting this ballot or application.

Affirmation: Sign and date. No witness or notary required.

Vote Your FWAB:

To find out the races and candidates for which you can vote, go to <http://www.sos.mo.gov/elections>. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you must also vote and return the

State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Missouri does not allow you to return the FWAB by email or fax unless a special declaration is made by the Secretary of State before the election. Please refer to www.sos.mo.gov to see if a declaration has been made.

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found below.

If you choose to email your FWAB, you should send the ballot as a signed, scanned attachment. Include ballot, voter affirmation, and cover sheet with secrecy waiver. Email directly to your local election office. Email addresses can be found at <http://www.sos.mo.gov/elections/countyclerks.asp>. You must also submit the FWAB by mail.

If you choose to fax your FWAB, you must also submit the FWAB by mail. It is recommended that you fax the ballot directly to your local election official. Fax numbers can be found at <http://www.sos.mo.gov/elections/countyclerks.asp>. Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Voting Your Ballot

Local election officials send absentee ballots to persons outside the U.S. approximately 45 days before elections, and to persons within the U.S. 35 days before elections.

Voted ballots must be received by the local election office before the close of polls on Election Day.

No witness or notary is required on voted ballots.

Voted ballots must be returned by mail. If you receive your ballot and you don't think that it will arrive at the county election office by the deadline, contact your county election office to see if you can submit your voted ballot by fax or email. Find your county or city contact information at: <http://www.sos.ne.gov/elec/clerks.html>.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at <https://www.militaryoverseas.necvr.ne.gov/>.

Registering and Requesting Your Absentee Ballot

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you leave this block blank, you will be registered as nonpartisan and will receive a nonpartisan ballot for each nonpartisan primary election. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 31 days before the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your valid Nevada Driver's License OR Nevada identification card number is required for voter registration. If you do not have either, provide the last four digits of your Social Security number. If you do not possess any of these identification numbers, contact your local election official to be assigned a unique identification number.

Block 5: Recommended but not required. Provide your contact information to allow the local election official to follow up if more information is required.

Block 6: Nevada allows you to receive your blank ballot by mail, email, or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: To receive a sample ballot in large print, specify this request here. Provide any information that may assist your election official in accepting this application.

Block 9: In addition to mailing a regular ballot, New Hampshire provides a Special Write-In Absentee Ballot to any voter unable to vote in the regular absentee voting process due to the requirements of military service or due to living in remote areas outside the U.S. and Canada. This ballot is available for the State primary no later than July 15 and for the general election no later than the date of the State primary. This ballot allows you to vote for Federal offices. To request it, write in Block 9: "I am unable to vote by regular absentee ballot or in person due to requirements of military service or due to living in isolated areas outside the United States and Canada. I request a special write-in absentee ballot."

These are not mailing deadlines. Mail your voting materials early enough to account for mail delivery times. Check the Recommended Mailing Dates on the next page for details.

Information is current as of October 2011. Check www.fvap.gov for updates.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all local, State and Federal elections held through the next two regularly scheduled general elections.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you want to be an unaffiliated voter, write "none." Only the Independence Party allows unaffiliated voters, under certain circumstances, to participate in its primary elections. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Enter your valid New York Driver's License number, the last four digits of your Social Security number, OR your State voter registration number. If you do not possess a New York Driver's License or Social Security number, other acceptable forms of identification include a photocopy of: current photo ID (passport, school ID, company photo ID), government check, OR other government document.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: New York allows you to receive your absentee ballot by mail, email, or fax. Check how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7: Complete street address of your New York voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

New York allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at <http://www.elections.state.ny.us>.

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. Fax numbers can be found at <http://www.elections.state.ny.us>.

You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to New York's voter registration verification website at: <https://voterlookup.elections.state.ny.us/votersearch.aspx>.

Your jurisdiction will contact you if your registration is denied.

Ballot Request by Proxy

If you are outside the U.S., your spouse, parent, adult child, brother, sister or duly authorized agent may apply to the local board of elections for an absentee ballot on your behalf.

Late Registration

Recent inductees and their eligible dependent(s) residing in the same election district are allowed to register up to 10 days before a general or special election. Honorably discharged military voters are allowed to register up to 10 days before a general election and they would not need to re-register if they are returning to their county of record in New York, in which they were already registered. Only those moving into NY, or into a different county within NY would need to register as a new voter.

Voting By Citizens Who Have Never Lived in the U.S.

A U.S. citizen who was born abroad and who is eligible to vote and who has never lived in the U.S. may register and vote in the county where a parent would be eligible to register and vote (for Federal offices only).

Voting Your Ballot

Local election officials mail absentee ballots approximately 32 days before most elections. (Absentee ballots are sent 45 days before special elections and 25 days before school board elections in New York City and Buffalo.)

For General Elections, voted ballots must be postmarked by the day before the election and received by the local election office no later than 13 days after the

election. For Primary Elections, voted ballots must be postmarked by the day before the election and received by the local election office no later than 7 days after the election.

No witness or notary is required on voted ballots. The voted ballot's mailing envelope may be witnessed to show that the ballot was mailed no later than the day before the election. This ensures that ballots received with no postmarks or other date/time markings or indicia, will be counted.

The voted ballot must be returned by mail.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <http://www.secureballotusa.com/NY>.

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 6, 2012
- Voters in other overseas military installations should send voted ballots by October 13, 2012
- Stateside Uniformed Service members and their families should send voted ballots by October 29, 2012.

If you do not receive your State absentee ballot by October 2, 2012, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot (FWAB)

New York allows uniformed service members and their families to use the Federal Write-In Absentee Ballot (FWAB) for voting in primary, special, run-off, and general elections for Federal, State, and local offices and non-candidate ballot issues.

New York allows overseas citizens to use the Federal Write-In Absentee Ballot (FWAB) for voting in primary, special, run-off, and general elections for Federal office.

If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election. If you are not already registered the ballot will not be counted but the FWAB will be used to register you for future elections.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1: New York allows you to use this form for registration.

Block 2: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Enter your valid New York Driver's License number, the last four digits of your Social Security number OR your State voter registration number. If you do not possess a New York Driver's License or Social Security number, other acceptable forms of identification include a photocopy of: current photo ID (passport, school ID, company photo ID), government check, OR other government document.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 7: Complete street address of your New York voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Enter your current mailing address.

Block 9: Provide any information that may assist the local election official in accepting this ballot or application.

Affirmation: Sign and date. No witness or notary required.

Vote Your FWAB:

To find out the races and candidates for which you can vote, go to www.elections.state.ny.us. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted. Any FPCA received prior to November 2, 2010 is valid through the next two regularly scheduled general elections for Federal office.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you are a registered non-partisan or undeclared, you must indicate which party ballot you want to receive. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 25 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Requested but not required. Enter the choice that best describes you from the following list: AI = American Indian or Alaskan Native; AP = Asian or Pacific Islander not Native Hawaiian; B = Black, not of Hispanic Origin; H = Hispanic; M = Multi-racial; NH = Native Hawaiian; W = White, not of Hispanic Origin; O = Other.

If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: North Carolina allows you to receive your absentee ballot by mail, email, or fax. Please rank your preference of how you would like to receive your absentee ballot. Blocks 7: Complete street address of your North Carolina voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to North Carolina's voter registration verification website at: <http://www.sboe.state.nc.us/VoterLookup.aspx>.

Your jurisdiction will contact you if your application is denied.

Late Registration

Any member of the Uniformed Services who is qualified to vote absentee and returns to North Carolina after the registration deadline, may still register and vote in person up to and including Election Day.

Voting By Citizens Who Have Never Lived in the U.S.

A U.S. Citizen who was born abroad and has never lived in the U.S. may register and vote in the North Carolina county where a parent would be eligible to register and vote.

Voting Your Ballot

Local election officials send absentee ballots approximately 60 days before general elections and 50 days before statewide primary elections.

Voted ballots must be received by the local election office by close of polls on Election Day.

You may return the voted ballot by mail, email or fax. Use FPCA fax and email instructions under "How and Where to Submit Your FPCA."

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <http://www.sboe.state.nc.us/VoterLookup.aspx?Feature=voterinfo>.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Block 2: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 7: Complete street address of your North Carolina voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Enter your current mailing address.

Block 9: Provide any information that may assist the local election official in accepting this ballot or application.

Vote Your FWAB:

North Carolina allows you to submit the FWAB by mail, email, or fax.

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. Addresses can be found below.

If you choose to email your FWAB, you should send it as a signed, scanned attachment to UOCAVA.ABSENTEE@sboe.state.nc.us or your local election official. Information is current as of October 2011. Check www.fvap.gov for updates.

Registering and Requesting Your Absentee Ballot

Registration is not required to apply for absentee ballots. However, if you are not registered to vote, you will become registered upon submission of a valid FPCA. You must still complete the Federal Post Card Application to request an absentee ballot. The form requests absentee ballots for all Federal elections held through the next two regularly scheduled general elections.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you are registered as non-partisan or undeclared, you cannot vote in party primaries. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official not less than 24 days before the election. Oklahoma does not allow political party changes from April 1-August 31 in even-numbered years. If you submit a political party change during that period, it will be held and processed on September 1. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your current and valid Oklahoma Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess any of these identification numbers, please indicate this in Block 9. The State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Oklahoma allows you to receive the blank ballot by mail, fax or email. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number or email address in Block 5. Please ensure that this email address does not block or filter emails forwarded from your county election official. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7: Complete street address of your Oklahoma voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Oklahoma allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form directly to your local election office. Email addresses can be found at www.elections.ok.gov.

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. Fax numbers can be found at www.elections.ok.gov. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office.

Your jurisdiction will contact you if your application is denied.

Late Registration

If you are honorably discharged or on leave from the U.S. Uniformed Services or terminated in your service or employment overseas, and you are returning home to Oklahoma within 90 days preceding an election, you may vote in the upcoming election only (in the precinct where you are a qualified voter) without being registered.

Voting By Citizens Who Have Never Resided In The U.S.

If a U.S. citizen outside the U.S. has never lived in the U.S. and either parent is a qualified Oklahoma voter, he or she is eligible to register and vote where his or her parent is a qualified voter.

Voting Your Ballot

Local election officials send absentee ballots 45 days before elections.

Voted ballots must be received by the local election office no later than 7 pm on Election Day.

No witness or notary is required on voted ballots.

You may return the voted ballot by mail or fax. Use FPCA fax instructions under "How and Where to Submit Your FPCA." You may also choose to email your ballot directly to ets@fvap.gov for it to be forwarded to your local election office by fax.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: http://www.ok.gov/elections/Absentee_Voting/Military_Overseas_Voters/

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Oklahoma allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in general, special, and primary elections for Federal and State offices even if you have not requested an absentee ballot be sent to you. Feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1: Oklahoma does not require voter registration. However, if you are not registered to vote, you will become registered upon submission of a valid Voter Declaration/ Affirmation.

Block 2: Select the category that describes you.

Block 3: Name (Last, First, Middle). Enter any name under which you were previously registered to vote in Oklahoma.

Block 4: Date of Birth

Enter the last four digits of your Social Security number OR your valid Oklahoma Driver's License number. If you do not

possess any of these identification numbers, please indicate this in Block 9. The State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Enter your political party affiliation if you want to vote in primary elections.

Block 7: Complete street address of your Oklahoma voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Enter your current mailing address.

Block 9: Provide any information that may assist the local election official in accepting this ballot or application.

Affirmation: Sign and date. No witness or notary required.

Vote Your FWAB:

Vote for any Federal or statewide office in any election. To find out the races and candidates for which you can vote, go to www.elections.ok.gov. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Oklahoma allows you to submit the FWAB by mail, email or fax.

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office.

If you choose to email your FWAB, you must email it as a signed, scanned attachment to the DoD Electronic Transmission Service at: ets@fvap.gov with instructions to forward it by fax to your local election office. Include ballot, voter affirmation, and cover sheet with secrecy waiver. Use the cover sheet available in Chapter 1 or at www.fvap.gov.

Information is current as of October 2011. Check www.fvap.gov for updates.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for every subsequent Federal election held until the voter otherwise notifies the clerk, or the county election official receives evidence that the elector's voter registration is no longer current.

All information applies to Uniformed Service members, their families, and overseas citizens, as well as members of the U.S. Armed Forces and Merchant Marines who have been discharged within 30 days of an election.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. To vote in the elections of a political party that has authorized non-affiliated electors, write: "I want to vote in (fill in party) primary." Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your valid Oregon Driver's License number OR if you do not have an Oregon Driver's License the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Oregon allows you to receive your absentee ballot by mail, email, or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7: Complete street address of your Oregon voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: In addition to mailing a regular ballot, Oregon provides a State Write-In Absentee Ballot to any voter residing outside the U.S. unable to vote using the regular absentee voting process. This ballot may be requested any time before the election. To request it, write in Block 9: "I am outside the territorial limits of the United States and the District of Columbia and I am unable to vote and return a regular absentee ballot by normal mail delivery in the time provided for regular absentee ballots. I request a special write-in absentee ballot." This request is valid only for the election specified on the application.

Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Oregon allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

Voted ballots must be returned by mail. If you are serving in the U.S. Armed Forces or Merchant Marines, or you have been discharged within the last 30 days from the Armed Forces or Merchant Marines, you may also return your voted ballot by fax. Fax your voted ballot, along with an Oregon Facsimile Vote Secret Ballot Waiver Form directly to your local election official. The form and fax numbers for local election officials are available at: <http://www.oregonvotes.org>. The Waiver Form is required.

Information is current as of October 2011. Check www.fvap.gov for updates.

Registering and Requesting Your Absentee Ballot

If you are a Uniformed Service member, registration is not required. You must still complete the Federal Post Card Application (FPCA) or the Pennsylvania absentee ballot application (which can be found at <http://www.votespa.com/>) to request an absentee ballot.

An FPCA submitted prior to October 28, 2009 registers you to vote and requests absentee ballots for all subsequent local, State, and Federal elections held through the next two regularly scheduled general elections. An application submitted between October 29 - December 31, 2009 registers you to vote and requests absentee ballots for all local, State, and Federal elections held through 2010. An application submitted after January 1, 2010 registers you to vote and requests absentee ballots for all local, State, and Federal elections held during the calendar year in which it was submitted, so you should submit a new application in each election year.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Requested but not required. Enter the choice that best describes you: AI = American Indian or Alaskan Native; AP = Asian or Pacific Islander not Native Hawaiian; B = Black, not of Hispanic Origin; H = Hispanic; M = Multi-racial; NH =

Native Hawaiian; W = White, not of Hispanic Origin; O = Other.

Date of Birth

Enter your valid Pennsylvania Driver's License number. If you do not have a Pennsylvania Driver's License, enter the last four digits of your Social Security number. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Pennsylvania allows you to receive your ballot by mail, fax, or email. Please rank your preference of how you would like to receive your absentee ballot. Provide your fax number or email address in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Blocks 7: Complete street address of your Pennsylvania voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: If you are in a remote area, you may receive a ballot 50 days before the primary election and 70 days before the general election. To request a ballot within these time frames, write in Block 9: "I am unable to vote during the regular absentee balloting period by reason of performing military service in an extremely remote or isolated area of the world. I request a special write-in absentee ballot." OR "I am unable to

vote during the regular absentee ballot period by reason of living in an extremely remote or isolated area of the world. I request a special write-in absentee ballot.”

Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Pennsylvania allows you to submit the FPCA by mail, email, or fax. After faxing or emailing the FPCA, submit the FPCA by mail. The original FPCA must be received by the local election official prior to the election in order for the ballot to count.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at www.dos.state.pa.us.

If you choose to fax your FPCA, you must also submit the form by mail. Your original FPCA must be received by the local election office prior to the election in order for your ballot to count. Fax the form directly to your local election official. Fax numbers can be found at www.dos.state.pa.us. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Pennsylvania’s voter registration verification website at: <http://www.pavoterservices.state.pa.us>. Your jurisdiction will contact you if your registration is denied.

Voting Your Ballot

Local election officials send absentee ballots approximately 45 days before elections. If official absentee ballots are not available at that time, you will be sent a special write-in absentee ballot.

Voted ballots must be postmarked no later than the day before the election and received by the local election office no later than 7 days after the election.

No witness or notary is required on voted ballots.

You may return your voted ballot by first class mail, express mail or overnight mail. Insert the voted ballot into the inner envelope provided. Then insert the inner envelope or security envelope into the outer envelope. If you use express or overnight mail, insert the outer or return envelope into the overnight mail package and return it to your local election office. If you receive the blank ballot by fax or email, you may use the Federal Write-In Absentee Ballot return envelope and security envelope at www.fvap.gov.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the “Prepaid Expedited Mail- Label 11-DOD”. This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

If you are a military voter and you are present in your voting district of residence on Election Day and have not already voted, you may apply in person at the local election office for the absentee ballot and vote it in person.

Tracking Your Ballot

You may track the status of your ballot at: <https://www.pavoterservices.state.pa.us/Pages/AbsenteeBallotForm.aspx>.

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 6, 2012
- Voters in other overseas military installations should send voted ballots by October 13, 2012
- Stateside Uniformed Service members and their families should send voted ballots by October 29, 2012.

If you do not receive your State absentee ballot by October 2, 2012, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Pennsylvania allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in primary, special, and general elections for Federal, State, and local offices and non-candidate ballot issues in a Federal election year. If you are a registered overseas citizen or a registered/unregistered Uniformed Service members who has requested an absentee ballot, feel free to use the FWAB to vote anytime before the election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1: Pennsylvania does not allow you to use this form for registration. Do not check the registration block.

Block 2: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Requested but not required. Enter the choice that best describes you: AI = American Indian or Alaskan Native; AP = Asian or Pacific Islander not Native Hawaiian; B = Black, not of Hispanic Origin; H = Hispanic; M = Multi-racial; NH = Native Hawaiian; W = White, not of Hispanic Origin; O = Other.

Date of Birth

Enter your valid Pennsylvania Driver's License number, the last four digits of your Social Security number, OR your State voter registration number.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 7: Complete street address of your Pennsylvania voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Enter your current mailing address.

Block 9: Provide any information that may assist the local election official in accepting this ballot or application.

Affirmation: Sign and date. No witness or notary required.

Vote Your FWAB:

Vote for any Federal, State and local office in a primary, special, or general election. To find out the races and candidates for which you can vote, go to www.dos.state.pa.us. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal.

Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/ Affirmation into the mailing envelope and mail your FWAB to your local election office.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application (FPCA) registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted and the next Federal election.

Puerto Rico only accepts the FPCA as a temporary registration and absentee ballot request for elections for Federal office. If you temporarily register using the FPCA, you will only be able to vote absentee, not in person. To register permanently, you must register in person.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your National and State political party affiliation. If you want to change your National or State political party affiliation, submit a completed FPCA indicating your new party preference to the Absentee Voting Administrative Board. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Both your paternal and maternal surnames are required. Otherwise, provide your full name as it appears on file at the Puerto Rico State Elections Commission.

Block 4: Date of Birth

Your Puerto Rico Driver's License number is required. If you do not have a Puerto Rico Driver's License number, the last four digits of your Social Security number OR your voter registration number is required.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Puerto Rico does not allow you to receive your blank ballot by email or fax. More transmission options may be available. Check www.fvap.gov for updates.

Block 7: Complete street address of your Puerto Rico voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: Provide your father's and mother's first names. The certifying officer who signs the Affirmation must state here - "I certify that [voter] is a [member of the U.S. Army, student at XX University, etc., whichever is applicable]."

Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. There is no notary requirement on elections for Federal offices.

How and Where to Submit Your FPCA:

Puerto Rico allows you to submit the FPCA by mail, email, or fax if you are already registered. If you are not already registered and choose to email or fax, you must also submit your FPCA by mail so that it arrives by the ballot return deadline.

If you choose to mail your FPCA, mail the form directly to:

Absentee Voting Administrative Board (JAVA)
Puerto Rico State Election Commission
PO Box 192359
San Juan, PR 00919-2359

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to the Absentee Voting Administrative Board (JAVA) at java@cee.gobierno.pr.

If you choose to fax your FPCA, fax the form directly to the Absentee Voting Administrative Board at (787) 777-8680. Fax numbers can be found at www.ceepur.org. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Puerto Rico's voter registration verification website at: <http://cee.ceepur.org/consulta/default.aspx>.

Your jurisdiction will contact you regarding the status of your application.

Ballot Request Using Petition for Absentee Ballot

If you are already permanently registered, you may request a ballot using the Petition for Absentee Ballot which is available by mail from the Elections Commission or at www.ceepur.org.

Voting Your Ballot

The Puerto Rico Elections Commission sends absentee ballots at least 45 days before elections.

Voted ballots must be postmarked no later than election day and be received by the Puerto Rico Elections Commission by 3 pm on Election Day, or no later than 45 days from the date the Puerto Rico State Election Commission sends the ballot to the voter.

There is no notary requirement on elections for Federal offices.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot by contacting the Absentee Voting Administrative Board at:

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 6, 2012

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . .

Use the Federal Write-In Absentee Ballot!

Puerto Rico allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in primary, special, run-off, and general elections for Federal office. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1: Puerto Rico does not allow you to use this form for registration. Do not check the registration box.

Block 2: Select the category that describes you.

Block 3: Both your paternal and maternal surnames are required. Otherwise, provide your full name as it appears on file at the State Elections Commission.

Block 4: Date of Birth

Enter your valid Puerto Rico Driver's License number, the last four digits of your Social Security number, OR your voter registration number.

Block 5: It is highly recommended that you provide your contact information to allow your local election official to follow up if more information is required.

Block 8: Enter your current mailing address.

Block 9: Provide your father's and mother's first names. The certifying officer who signs the Affirmation must state here - "I certify that [voter] is a [member of the U.S. Army,

student at XX University, etc., whichever is applicable]." Provide any information that may assist the Absentee Voting Administrative Board in accepting this ballot or application.

Affirmation: Sign and date. There is no notary requirement on elections for Federal offices.

Vote Your FWAB:

Vote for any Federal office in a primary, special, run-off or general election. To find out the races and candidates for which you can vote, go to www.ceepur.org. For each office for which you vote, write in either a candidate's name or a political party designation. Puerto Rico does not elect members to the U.S. Senate or directly participate in the election of the President and Vice President of the U.S. At the Federal level, only a Resident Commissioner to the House of Representatives is elected.

Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted. Voters should submit a new application after January 1 of each year to qualify for all upcoming Federal elections.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: South Carolina does not require you to register to vote by party. However, to vote in primary elections, you must enter your political party preference to ensure you receive that party's ballot. If you want to change your political party preference, submit a completed FPCA indicating your new party preference to the local election official. Political party preference is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Sex

Enter the choice that best describes you from the following list: B/AA = Black/ African American; H = Hispanic; A= Asian; W = White; N= Native American; O = Other.

Date of Birth

Social Security Number

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: South Carolina allows you to receive your absentee ballot by mail, email, or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7: Complete street address of your South Carolina voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: In addition to mailing a regular ballot, South Carolina provides a State Write-In Absentee Ballot to any voter unable to vote using the regular absentee voting process due to military service or due to living in extremely remote areas. This ballot allows you to vote for Federal offices, State offices, and members of the South Carolina

General Assembly. You must request this ballot 90 or less days before the election. To request it, write in Block 9: "I am unable to vote by regular absentee ballot or in person due to requirements of military service or due to living in isolated or extremely remote areas of the world. I request a special write-in absentee ballot."

Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

South Carolina allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted. Voters should submit a new application after January 1 of each year to qualify for all upcoming Federal elections.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, mail a completed FPCA indicating your new party preference to the local election official to be received no later than 15 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

For Independent voters only, South Dakota allows a recognized political party to accept voters registered as Independent into that party's primary election. As a voter who registered as an Independent, you may have a choice of ballot types for this primary election, depending on the races in your precinct. You may choose a non-political ballot or a Democratic Ballot. Which ballot you vote is your choice. Indicate in Block 6 which ballot type you wish to vote.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your valid South Dakota Driver's License number is required for voter registration. If you do not have a South Dakota Driver's License, enter the last four digits of your Social Security number. If you do not possess either of these identification numbers, you must register at the County Auditor's office and sign a statement saying you do not have either number.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: South Dakota allows you to receive your blank ballot by mail or email. Your absentee ballot cannot be received by fax. Please rank your preference of how you would like to receive your absentee ballot. If you choose to receive your blank ballot by email, you must provide your email address in Block 5. Please ensure that this email address does not block or filter emails forwarded from your county election official. In the event that your ballot cannot be delivered via email, your local election official will mail your ballot to the address in Block 8. If no address is provided, your ballot would then be sent to your voter registration address in South Dakota.

Block 7: Complete street address of your South Dakota voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date.

Stateside Uniformed Service members and their families must provide a photocopy of one of the following:

- a South Dakota Drivers License or non-driver ID card
- a passport or other picture ID issued by the U.S. government
- a tribal photo ID
- a current student photo ID issued by a South Dakota high school or postsecondary education institution.

Should notarization of the Stateside military voter's signature be easier to obtain than a photocopy of the ID, a notarized absentee ballot application may be submitted. The notarization on the absentee ballot application can be administered by any commissioned officer in the military service of the United States.

Overseas Uniformed Service members, their families, and overseas citizens are not required to have a witness or notarization, nor are they required to include a photocopy of their identification.

How and Where to Submit Your FPCA:

South Dakota allows you to submit the FPCA by mail, email, or fax if you are already registered. If you are not registered, you must submit the form by mail.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the signed form as a scanned attachment. Email directly to your local election office. Email addresses can be found at www.sdsos.gov.

If you choose to fax your FPCA, it is recommended that you fax the signed form directly to your local election official. Fax numbers can be found at www.sdsos.gov. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration, contact your local election office or refer to South Dakota's voter registration verification website at: <https://www.vip.sd.gov/>.

In addition to your registration information, this site also provides you with tracking information regarding your voting materials — the date your absentee ballot application was received, the date the absentee ballot was sent to you either by mail or email, and the date your voted absentee ballot was received by your election official.

Your jurisdiction will contact you if your registration is denied.

Voting Your Ballot

Local election officials send absentee ballots at least 46 days before primary and general elections.

Voted ballots must be received by the local election office by the close of the polls on Election Day.

No witness or notary is required on voted ballots.

You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

South Dakota allows you to use the Federal Write-In Absentee Ballot (FWAB) for registration and voting in primary, secondary, special, and general elections for Federal office. Feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1: South Dakota allows you to use this form for registration.

Block 2: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 7: Complete street address of your South Dakota voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Enter your current mailing address.

Block 9: Provide any information that may assist the local election official in accepting this application here.

Affirmation: Sign and date. No witness or notary required.

Vote Your FWAB:

To find out the races and candidates for which you can vote, go to www.sdsos.gov. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official. Contact information for your county auditor is available at www.sdsos.gov.

You may check the status of the absentee ballot process by referring to South Dakota's Voter Information Portal at www.vip.sd.gov. The site tracks the date your absentee ballot application was received, the date the absentee ballot was sent to you either by mail or email, and the date your voted absentee ballot was received by your election official.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for all regularly scheduled Federal elections for the calendar year in which it is submitted. Voters should submit a new application after January 1 of each year to qualify for all upcoming Federal elections.

Tennessee only accepts the form as a temporary registration and absentee ballot request. To register permanently, you must complete Tennessee's Federal Voter Registration Form available at <http://state.tn.us/sos/election/forms/ss-3010.pdf> and submit it along with your FPCA.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than 7 days prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Sex

Requested but not required. Enter the choice that best describes you from the following list: AI = American Indian or Alaskan Native; AP = Asian or Pacific Islander not Native Hawaiian; B = Black, not of Hispanic Origin; H = Hispanic; M = Multi-racial; NH = Native Hawaiian; W = White, not of Hispanic Origin; O = Other.

Date of Birth

Social Security Number. If you have never been issued a Social Security number, write "none."

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Tennessee allows you to receive the blank ballot by mail or email. Tennessee does not allow you to receive the blank ballot by fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address in Block 5. Please ensure that this email address does not block or filter emails forwarded from your county election official. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7: Complete street address of your Tennessee voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 8. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required. If you required assistance completing your FPCA, one person must witness and sign.

How and Where to Submit Your FPCA:

Tennessee allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at http://tnsos.org/elections/election_commissions.php.

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers can be found at http://tnsos.org/elections/election_commissions.php. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Tennessee's voter registration verification website at: <http://tnmap.state.tn.us/voterlookup/>.

Your jurisdiction will contact you regarding the status of your application.

Temporary Registration/Ballot Request by Letter

You may also send a written request for temporary registration and/or an absentee ballot to your local election office. This request must include your name, Social Security Number, date of birth, your legal voting residence, and the address to which you would like your ballot to be sent. The letter must be signed under penalty of perjury that the information is true, correct and that you are eligible to vote in the election. If voting in a primary, you must enter your party affiliation.

Voting By Citizens Who Have Never Lived in the U.S.

A U.S. citizen who was born abroad and who is eligible to vote and who has never lived in the U.S. may register temporarily and vote in the county where a parent would be eligible to temporarily register and vote.

Voting Your Ballot

Local election officials send absentee ballots at least 45 days before elections. If the official ballot is not yet

available 45 days before the election, Tennessee will send a special write-in absentee ballot.

Voted ballots must be received by the local election office by the close of polls on Election Day.

No witness or notary is required on voted ballots. If you required assistance completing your voted ballot, one person must witness and sign.

Voted ballots must be returned by mail.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <https://tnmap.state.tn.us/voterlookup/>.

Information is current as of October 2011. Check www.fvap.gov for updates.

Registering and Requesting Your Absentee Ballot

The Federal Post Card Application permanently registers you to vote and requests absentee ballots for all Federal elections held through the next two regularly scheduled general elections. If you indicate you are “indefinitely away” in Block 1 on the FPCA, your application will serve as a temporary registration only.

If you submit your FPCA by the 20th day before the election, you will receive a full ballot. FPCAs received after this date will be issued a ballot for Federal contests only.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you. By checking that you are a U.S. citizen residing outside the U.S. and do not intend to return, you are eligible to receive a Federal ballot only.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your valid Texas Driver's License number OR personal identification number issued by the Texas Department of Public Safety is required for voter registration. If you do not have either of these numbers, you must provide the last four digits of your Social Security number. If you do not possess any of these identification numbers, you must State that in Block 9.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Texas does not allow you to receive your ballot by email or fax. More transmission options may be available. Check www.fvap.gov for updates.

Block 7: Complete street address of your Texas voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you are located now.

Block 9: In addition to mailing a regular ballot, Texas provides a State Write-In Absentee Ballot to any voter unable to vote in the regular absentee voting process due to military contingencies. You must request this ballot 180 or

less days before the election. If you submitted a Voter Registration/Absentee Ballot Request form more than 180 days before the election, you must make another request for the special State write-in ballot. To request it, write in Block 9: "Special State Write-In Ballot."

Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Texas allows you to submit the FPCA by mail, email, fax or common/contract carrier.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section or at www.sos.state.tx.us/elections.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses must be obtained by contacting your local election office. Contact information can be found at www.sos.state.tx.us/elections.

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. Fax numbers can be found at www.sos.state.tx.us/elections. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your absentee ballot request, contact your local election office. To find out the status of your permanent registration, refer to Texas' voter registration verification website at: <https://team.sos.state.tx.us/voterws/viv/faces/Introduction.jsp>.

Your jurisdiction will contact you if your application is denied.

Voting Your Ballot

Local election officials send absentee ballots at least 45 days before general elections.

Voted ballots must be received by the local election office by the close of polls on Election Day for Stateside Uniformed Service members and their families.

Voted ballots must be placed in delivery by 7 pm on Election Day and received by the local election office no later than 5 days after the election for overseas Uniformed Service members, their families, and overseas citizens.

No witness or notary is required on voted ballots.

Texas allows you to return the voted ballot by fax only if you are an active-duty Armed Forces member or family member and you are casting the ballot from an area where you are eligible to receive hostile fire pay or imminent danger pay, or that has been designated a combat zone by the President. You must use the DoD Electronic Transmission Service to fax your ballot toll-free. See FPCA fax instructions under "How and Where to Submit Your FPCA."

All other absentee voters must return the voted ballot by mail, common or contract carrier, or courier.

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <https://webservices.sos.state.tx.us/FPCA/index.aspx>.

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 6, 2012
- Voters in other overseas military installations should send voted ballots by October 13, 2012
- Stateside Uniformed Service members and their families should send voted ballots by October 29, 2012.

If you do not receive your State absentee ballot by October 2, 2012, use the Federal Write-in Absentee Ballot. If you

receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Texas allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in any general, special, primary, or runoff election for Federal office OR any special state legislative vacancy election or any local election held jointly with Federal election. If you have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1: Texas does not allow you to use this form for registration. Do not check this box.

Block 2: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Enter your valid Texas Driver's License number, personal identification number, the last four digits of your Social Security number, OR your State voter registration number.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Enter your political party affiliation if you are voting in a primary election.

Block 7: Complete street address of your Texas voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Enter your current mailing address.

Block 9: Provide any information that may assist the local election official in accepting this ballot or application.

Affirmation: Sign and date. No witness or notary required.

Vote Your FWAB:

Vote for any Federal office in a general, special, primary, or runoff election. To find out the races and candidates for

which you can vote, go to <http://www.sos.state.tx.us/>. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Texas allows you to return the FWAB by mail (or fax only if you are an active-duty Armed Forces member or family member and you are casting the ballot from an area where you are eligible to receive hostile fire pay or imminent danger pay, or that has been designated a combat zone by the President.)

If you choose to mail your FWAB, insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail the ballot directly to your local election office. You may return the FWAB by mail, common or contract carrier, or courier. Addresses can be found below.

If you qualify to fax your FWAB and choose to fax it, it is recommended that you fax the ballot directly to your local election official. Fax numbers can be found at www.sos.state.tx.us/elections. Include ballot, voter affirmation, and cover sheet with secrecy waiver. You may also use the DoD Electronic Transmission Service to fax your FWAB toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

These are not mailing deadlines. Mail your voting materials early enough to account for mail delivery times. Check the Recommended Mailing Dates on the next page for details.

Information is current as of October 2011. Check www.fvap.gov for updates.

* Utah has a Caucus system for selecting Presidential Nominees.

Registering and Requesting Your Absentee Ballot

Registration is required. You must still complete the Federal Post Card Application to request an absentee ballot. When you return the voted ballot, you will be registered. The form requests absentee ballots for all Federal elections held through the next regularly scheduled general election.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 2: To vote in primary elections, you must enter your political party affiliation. If you want to change your political party affiliation, submit a completed FPCA indicating your new party preference to the local election official no later than the Friday prior to the election. Political party affiliation is not required if only requesting absentee ballots for general elections.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your valid Utah Driver's License number OR the last four digits of your Social Security number is required for voter registration. If you do not possess either of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Utah allows you to receive your absentee ballot by email, fax, or mail. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you. More transmission options may be available. Check www.fvap.gov for updates.

Block 7: Complete street address of your Utah voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: In addition to mailing a regular ballot, Utah provides a State Special Write-In Absentee Ballot available 90 days before an election to any voter unable to vote in the regular absentee voting process due to military service. You must request this ballot no later than the Friday before the election. This ballot allows you to vote for Federal offices only. To request it, write in Block 9: "I am unable to vote by regular absentee ballot or in person because of military service. I request a special write-in absentee ballot."

If you do not wish to receive ballots for all Federal elections through the next regularly scheduled general election, you may request a ballot for each election for Federal office held in the next election year OR a ballot for only the next scheduled election for Federal office by noting your choice here.

Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Utah allows you to submit your FPCA by mail, email or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email directly to your local election office. Email addresses can be found at www.elections.utah.gov.

If you choose to fax your FPCA, fax the form directly to your local election official. Fax numbers and email addresses can be found at www.elections.utah.gov. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam, Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration/absentee ballot request, contact your local election office or refer to Utah's voter registration verification website at: vote.utah.gov.

Your jurisdiction will contact you if your application is denied.

Voting Your Ballot

Local election officials send absentee ballots no later than 45 days before elections.

No witness or notary is required on voted ballots.

To be valid, a military-overseas ballot shall be received by the appropriate election official not later than the close of

polls; or submitted for mailing, electronic transmission, or other authorized means of delivery not later than 12:01am, at the place where the vote completes the ballot, on the date of election and is received by the end of business on the day before the latest deadline for completing the canvas.

You may return the voted ballot by mail (or by email or fax) if you agree to waive the right to a secret ballot and affirm in writing on the email/fax cover sheet. Write in "I understand that by electronically transmitting my voted ballot I am voluntarily waiving my right to a secret ballot". Use FPCA email or fax instructions under "How and Where to Submit Your FPCA."

Overseas uniformed service members and their family members with access to the Military Postal Service, may use the "Prepaid Expedited Mail- Label 11-DOD". This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers you to vote and requests absentee ballots for every subsequent Federal election held until the voter is no longer registered to vote in the State.

Alternately, if you have a valid Washington State Driver's License or State identification card, you may complete your voter registration online or download a paper application at www.vote.wa.gov.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Your valid Washington Driver's License or State ID Card number OR the last four digits of your Social Security number is required for voter registration. If you do not possess any of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Washington allows you to receive your absentee ballot by mail, email, or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7: Complete street address of your Washington voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: In addition to mailing a regular ballot, Washington provides a State Special Write-In Absentee Ballot up to 90 days before the election to any voter unable to vote using the regular absentee voting process. This ballot allows you to vote in local, State and Federal elections. Registering and Requesting Your Absentee Ballot

The Federal Post Card Application registers uniformed service voters to vote and requests absentee ballots for all elections held through the next three regularly scheduled general elections.

The Federal Post Card Application registers overseas citizen voters to vote and for those permanently overseas requests absentee ballots for all elections held through the next two regularly scheduled general elections. For those temporarily overseas, the FPCA requests a ballot for one election.

Registration is not required for Uniformed Service members, overseas civilians officially attached to the

military, Merchant Marines, overseas civilian employees of the U.S. government, Peace Corps volunteers, and family members of the above. You must still complete and submit the form for absentee ballot request.

Complete the Following Blocks of the Federal Post Card Application (FPCA):

Block 1: Select the category that describes you. If you currently reside outside the U.S. and intend to return and are not currently registered to vote in Wisconsin, you must enclose proof of Wisconsin residency (such as a copy of a current Wisconsin Driver's License, Wisconsin I.D. card, bank statement, or utility bill) with this application. Documents must contain your full name and complete voting address.

Block 3: Name (Last, First, Middle). Make sure the name you entered in here matches the name that appears on your identification document for Block 4.

Block 4: Date of Birth

Enter your Wisconsin Driver's License number. If you have not been issued a Wisconsin Driver's License, enter your Wisconsin I.D. card number OR the last four digits of your Social Security number.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 6: Wisconsin allows you to receive your absentee ballot by mail, email, or fax. Please rank your preference of how you would like to receive your absentee ballot. Provide your email address or fax number in Block 5. If you do not make a selection, then your local election official will mail your ballot to you.

Block 7: Complete street address of your Wisconsin voting residence. A post office box is not sufficient. This address must be within the municipality where you claim legal voting residence.

Block 8: Complete address where you want your ballot sent, usually where you live now.

Block 9: Provide any information that may assist the local election official in accepting this application.

Affirmation: Sign and date. No witness or notary required.

How and Where to Submit Your FPCA:

Wisconsin allows you to submit the FPCA by mail, email, or fax.

If you choose to mail your FPCA, mail the form directly to your local election office. Addresses can be found at the end of this section.

If you choose to email your FPCA, you should send the form as a signed, scanned attachment. Email addresses can be found at <http://gab.wi.gov/clerks/directory>.

If you choose to fax your FPCA, it is recommended that you fax the form directly to your local election official. Fax numbers can be found at <http://gab.wi.gov/clerks/directory>. You may also use the DoD Electronic Transmission Service to fax your FPCA toll-free. To use the Electronic Transmission Service, use the cover sheet available in Chapter 1 or at www.fvap.gov, and fax to: (703) 693-5527, DSN 223-5527, or toll-free from the U.S., Canada, Guam,

Puerto Rico, and the Virgin Islands to 1-800-368-8683. International toll-free numbers can be found on the inside back cover or at www.fvap.gov.

Follow-Up on Your FPCA

To find out the status of your registration, contact your local election office or refer to Wisconsin's voter registration verification website at: <https://vpa.wi.gov/>.

Your jurisdiction will contact you if your application is denied.

Ballot Request by Letter

You may request an absentee ballot for any State, local, or Federal election in a calendar year by sending a written request, including the information required on the FPCA.

Voting By Citizens Who Have Never Lived in the U.S.

A U.S. citizen who was born abroad and who is eligible to vote and who has never lived in the U.S. may register and vote in the municipality where a parent would be eligible to vote (for Federal offices only).

Voting Your Ballot

Local election officials send write-in absentee ballots 90 days before elections. (Uniformed Service members and their families receive write-in ballots for all elections. Overseas citizens who permanently reside overseas receive write-in ballots for Federal elections only. Overseas citizens temporarily residing overseas will not receive a write-in ballot.) Official printed absentee ballots are also sent 30 days before fall primary and general elections and 21 days before all other elections.

Voted ballots must be received by Election Day. Voted ballots for Uniformed Service members and their families must be postmarked by Election Day and received by the local election office no later than 7 days after September primaries and 10 days after November general elections.

The certificate on the voted ballot's return envelope must be witnessed by one adult U.S. citizen, and signed by you and the witness.

Voted ballots must be returned by mail.

Overseas uniformed service members and their family members with access to the Military Postal Service, may

use the “Prepaid Expedited Mail- Label 11-DOD”. This label is available at APO/FPO locations and can only be used for the general election. It provides expedited mail service up to seven days prior to the election. You can return your ballot with this label attached at any MPO/FPO, American embassy or consulate. A portion of the label is retained by you for tracking your ballot through the U.S. Postal Service.

Tracking Your Ballot

You may track the status of your ballot at: <https://ypa.wi.gov/>.

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 6, 2012
- Voters in other overseas military installations should send voted ballots by October 13, 2012
- Stateside Uniformed Service members and their families should send voted ballots by October 29, 2012.

If you do not receive your State absentee ballot by October 2, 2012, use the Federal Write-in Absentee Ballot. If you receive your State absentee ballot, vote and return it. If both ballots are received by the deadline, only the State ballot will be counted.

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Wisconsin allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in general elections for Federal office only if you previously registered and requested a ballot for this election. Otherwise you must submit an FPCA with the FWAB for it to be counted. Uniformed service members may also use the FWAB to vote for State and local offices, and non-candidate ballot issues. Feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1: Wisconsin does not allow you to use this form for registration. Do not check the registration block. (Note: Wisconsin does not require voter registration for Uniformed Service members and their families.)

Block 2: Select the category that describes you. U.S. Citizens residing outside the U.S. temporarily are not eligible to use this form.

Block 3: Name (Last, First, Middle). Make sure the name you entered in here matches the name that appears on your identification document for Block 4.

Block 4 : Date of Birth

Enter your Wisconsin Driver's License number. If you have not been issued a Wisconsin Driver's License, enter your Wisconsin I.D. card number OR the last four digits of your Social Security number. If you have not been issued any of these identification numbers, the State shall assign a number that will serve to identify you for voter registration purposes.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 7: Complete street address of your Wisconsin voting residence. A post office box is not sufficient. This address must be within the municipality where you claim legal voting residence.

Block 8: Enter your current mailing address.

Block 9: Provide any information that may assist the local election official in accepting this ballot or application.

Affirmation: Sign and date in the presence of one adult U.S. citizen witness. The witness must sign and date the form.

Vote Your FWAB:

Vote for any Federal office in a general election. To find out the races and candidates for which you can vote, go to <https://ypa.wi.gov/>. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for State absentee ballots. If you receive the State ballot after submitting the voted FWAB, you may also vote and return the State ballot. If both ballots are received by the deadline, only the State ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 6, 2012

Haven't Received Your Ballot? Don't Wait Until It's Too Late. . . Use the Federal Write-In Absentee Ballot!

Wyoming allows you to use the Federal Write-In Absentee Ballot (FWAB) for voting in primary, general, and special elections for Federal office. If you are registered and have requested your absentee ballot, feel free to use the FWAB to vote anytime before an election.

Complete the Following Blocks of the FWAB's Voter Declaration/ Affirmation:

Block 1: Wyoming does not allow you to use this form for registration. Do not check the registration block.

Block 2: Select the category that describes you.

Block 3: Name (Last, First, Middle)

Block 4: Date of Birth

Enter your valid Wyoming Driver's License number, the last four digits of your Social Security number OR your State voter registration number.

Block 5: Recommended but not required. Provide your contact information to allow your local election official to follow up if more information is required.

Block 7: Complete street address of your Wyoming voting residence. A post office box is not sufficient. If your address includes a rural route, describe its location in Block 9. This address must be within the county where you claim legal voting residence.

Block 8: Enter your current mailing address.

Block 9: Provide any information that may assist the local election official in accepting this ballot or application.

Affirmation: Sign and date. No witness or notary required.

Vote Your FWAB:

Vote for any Federal office in a general election. To find out the races and candidates for which you can vote, go to <http://sos.wy.state.wy.us/Elections/Elections.aspx>. For each office for which you vote, write in either a candidate's name or a political party designation. Once the ballot is complete, fold and place it in the security envelope and seal. Place only the voted ballot in the security envelope and do not write on the security envelope.

How and Where to Submit Your FWAB:

The deadlines for submitting the FWAB are the same as for regular State absentee ballots. If you receive the regular ballot after submitting the voted FWAB, you may also vote and return the regular ballot. If both ballots are received by the deadline, only the regular ballot will be counted.

Insert the sealed security envelope and the Voter's Declaration/Affirmation into the mailing envelope and mail your FWAB directly to your local election official.

Chapter 3

Guide for Voting Assistance Officers

Your Responsibilities

As a Voting Assistance Officer (VAO), you are part of a worldwide network of military members, U.S. government employees, and volunteers who aid in ensuring that citizens covered under the *Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)* understand their voting rights and know how to vote absentee. These citizens include: active duty members of the Uniformed Services or Merchant Marine, their family members, and citizens residing outside the U.S. VAOs provide these citizens with accurate and nonpartisan voting information and assistance. You should:

- Become familiar with www.fvap.gov, your organization or service voting website, the forms and absentee voting process.
- Follow FVAP on Facebook, Twitter, and LinkedIn. Links are available on www.fvap.gov.
- Take advantage of FVAP training opportunities. Workshops are offered at military installations and Department of State locations worldwide. Contact FVAP or your Service Voting Action Officer for a workshop schedule. Training may also be completed online at www.fvap.gov.
- Keep current by signing up to receive news releases, also available online. To subscribe, email vote@fvap.gov and provide your email address.
- Ensure delivery of FPCAs to unit members by January 15 of each year if you are a military VAO. If you are a civilian VAO, ensure delivery of FPCAs to overseas citizens by July 15 of each year.
- Assist citizens in filling out the FPCA according to their State's specific requirements. Remind them to include an email address, phone and/or fax number so that the local election offices may contact them, if needed.
- Ensure that there is an adequate supply of FPCAs on hand for year-round registration, absentee ballot requests, and change of address requests for citizens moving or changing assignment location.
- Serve as coordinator for FVAP on-site workshops if one is scheduled for your installation.
- Conduct non-partisan voter registration drives. Armed Forces Voters Week, Overseas Citizens Voters Week, and Absentee Voting Week are excellent times to get the word out. During Absentee Voting Week, announce through various media that voters should return their voted ballots immediately. If citizens have not received their requested State ballot by this week (or earlier based on location), encourage them to use the Federal Write-In Absentee Ballot (FWAB).
- Ensure that there is an adequate supply of FWABs on hand year-round for citizens to use in case they do not receive their official State absentee ballot.
- Refer local residents to the Installation Voting Assistance Office for local registration.
- Post notices on bulletin boards and in high-traffic areas encouraging citizens to register and vote.
- Create or continue a Continuity Folder.
- Provide your installation directory with contact information for referrals if you are a military VAO.
- Assign an Assistant Voting Assistance Officer to help you fulfill your duties as VAO and provide support to voters in your absence.
- Extend assistance to family members, to include the sharing of information at family events.

Your responsibilities may also include serving in an Installation Voting Assistance Office. A handbook for Office personnel is available on the FVAP website at <http://www.fvap.gov/resources/media/installation-vaohandbook.pdf>

How You Can Assist Voters

Determining Voting Residency

To vote in U.S. elections, citizens must have a legal voting residence address in a State or territory. The issue of voting residence can be complex, depending on individual circumstances. Even in States where laws clearly define criteria for determining voting residence, the final determination is generally up to each local election office.

For voting purposes, "legal voting residence" can be the state or territory where the citizen last resided prior to entering military service OR the state or territory that the citizen has since claimed as their legal residence.

Even though the citizen may no longer maintain formal ties to that residence, the address determines their proper voting jurisdiction. To claim a new legal residence, the citizen must have simultaneous physical presence and the intent to return to that location as their primary residence.

Military and their family members may change their legal residence every time they change permanent duty stations, or they may retain their legal residence without change.

This may mean that the family's Uniformed Service member has a different legal voting residence than his/her family members.

A Judge Advocate General officer or legal counsel should be consulted before the citizen changes legal residence, because there are usually other factors that should be considered besides voting.

Asking citizens the following questions may help advise them on voting residence:

- Where have you registered to vote or voted?
- What State or territory has issued you a driver's license, any other license or identification card?
- Where is your motor vehicle registered?
- Where is your home or home of record?
- What State or territory are you from?
- Where did you live before coming here?
- Where did you live immediately before leaving the United States?
- Where does your family live?
- Where do your parents live?
- Where do you own property?
- What State do you claim for tax residency?

Assisting Citizens to Complete the Federal Post Card Application (FPCA)

The FPCA can be used by military and overseas citizens to simultaneously register to vote and request an absentee ballot. As a VAO, you should help citizens correctly complete their FPCAs if requested. Local election officials determine the citizen's eligibility to vote based on information provided on this application. Citizens should include all contact information (email, telephone, fax, and/or mailing address) on their FPCA and submit it early enough for election officials to contact them should problems processing the application arise.

If you are sending FPCAs for several citizens by email or fax, use a separate Electronic Transmission Sheet for each form and send separately to ensure that each form is received by the proper election official. Email addresses and fax numbers can be found on the State's election website or at www.fvap.gov.

Check that FPCAs Include:

- Signature and date
- Complete voting residence address (no P.O. Box addresses)
- Legible handwriting
- All information required by the State

- Party preference if the citizen wants to vote in primary elections (if required by State)
- Witness signature (if required by State)

Also, be sure that the citizen mails the FPCA to their local election official in time to be received by the State registration and/or absentee ballot request deadline.

Assisting Citizens to Complete the Federal Write-In Absentee Ballot (FWAB)

The FWAB is available to military and overseas citizens who have requested but have not received their State absentee ballot in time to vote and return it before the deadline. To use the FWAB, citizens must have applied for a State ballot early enough so that their local election office received the request at least 30 days before the election or before the State's ballot request deadline, whichever is later.

The FWAB may be used to vote for Federal offices (President/Vice President, U.S. Senator, U.S. Representative, Delegate or Resident Commissioner) in primary, general, special, or runoff elections. Some States have expanded the use of the FWAB and accept the FWAB for voting for State and local offices, or allow the FWAB to be used for voter registration and ballot request.

If you are sending FWABs for several citizens by email or fax, use a separate Electronic Transmission Sheet for each ballot and send separately to ensure that each ballot is received by the proper election official. Email addresses and fax numbers can be found on the State's election website, available in the State's pages in Chapter 2 or at www.fvap.gov.

Tips for Using the FWAB:

- Citizens who have not received a requested State ballot in time to return it before the election should immediately complete and submit the FWAB to their local election office.
- The FWAB must be received by the local election office no later than the ballot return deadline.
- The transmittal envelope must be signed and dated, (and the witness or signature must be included if required by State).
- If citizens receive their State absentee ballot after submitting the FWAB, they should vote and return the ballot immediately. If the State absentee ballot arrives by the ballot return deadline, the State will count the State absentee ballot instead of the FWAB.

Legal Guidelines

VAOs may not provide partisan voting information from candidates, political parties, or partisan organizations. Military VAOs may receive questions from voters regarding whether they can distribute and/or display partisan materials at the military installations. VAOs

should consult their Commanding Officer for their interpretation of DoD Directive 1344.10 *Political Activities by Members of the Armed Forces on Active Duty*, available at www.fvap.gov.

VAOs should report any irregularities in the voting process to their department or agency headquarter's VAO. Federally employed VAOs should refer to the Hatch Act, Title 5 U.S.C. Sec. 7321, link available at: www.fvap.gov.

VAOs can advise citizens on locating information on candidates and issues using national, local, and Service newspapers, magazines, radio, television, political party and campaign committee offices, overseas newspapers and periodicals, and State election websites.

Continuity Folder

VAOs should create and maintain a Continuity Folder for personal reference and for passing on to future VAOs.

It should provide basic details on absentee voting procedures and contain anything that may help your backup or successor. Your folder should also provide a quick orientation of VAO voting responsibilities. It can be in the form of a notebook, file folder, or an online community folder. Make sure it is readily available to other VAOs and assistants.

Your Continuity Folder Should Contain:

- Your VAO Designation Letter (only Military VAOs)
- FPCAs and FWABs
- Reporting requirement materials
- Your complete contact information. (Stateside VAOs should also include local county election office contact information.)
- Current *Voting Assistance Guide* (updates available at www.fvap.gov)
- Recent news releases
- Election Dates Calendar
- Current State Department or Service guidance (directive, instruction, order, etc.)
- DoD Instruction 1000.04. (Federal Voting Assistance Program) and 1344.10 (Political Activities by Members of the Armed Forces in Active Duty). Copy of the Hatch Act, Title 5 U.S.C. Sec. 7321 (for Federal employees overseas) and the Voting Action Plan, available at: www.fvap.gov
- Training materials and certificate from workshops

Many of these materials are available through your normal service supply chain, the Installation Voting Assistance Officer, Service Voting Action Officer or at www.fvap.gov.

Voting Emphasis Weeks

Each Federal election year (every even numbered year), FVAP works with the Uniformed Services and overseas citizens groups to promote voter registration and absentee voting by conducting Voting Emphasis Weeks.

Armed Forces and Overseas Citizens Voters Week: June 29- July 7, 2012

Your Goal: Deliver Federal Post Card Applications (FPCA) to all unit members and their voting age family members. Encourage everyone to fill out and submit the form immediately.

What You Can Do:

- Put up posters to tell unit members how to get the right form.
- Use current *Voting Assistance Guide* to help everyone fill out the form.
- Conduct a non-partisan voting workshop and registration drive.
- Enlist the help of other VAOs and base organizations.
- Use media outlets to encourage voter registration.
- Enlist the help of overseas citizen organizations.
- Plan your events around Independence Day.

Absentee Voting Week: September 30 - October 7, 2012

Your Goal: Encourage everyone to return their voted ballots immediately or use the Federal Write-In Absentee Ballot (FWAB).

What You Can Do:

- Ask voters if they've received their ballots. If not, give them a FWAB and tell them how to fill it out and submit it.
- Use media outlets to encourage people to vote using their State ballot or the FWAB.
- Enlist the help of other VAOs, base organizations, or overseas citizen organizations to conduct events to encourage people to vote and return their absentee ballots.

- Put up posters that tell people how to reach you for help.
- Hold unit or installation "Voting Days" where computer terminals are set up for the express purpose of receiving, printing, and where allowed, returning ballots electronically.

Recommended Mailing Dates for the November 2012 General Election

Send your FPCA by August 15, 2012 to ensure that you receive your ballot in time to vote and return it to be counted.

- Voters in Iraq, Afghanistan, ships at sea, and other overseas locations without access to the military postal system should send voted ballots by October 6, 2012
- Voters in other overseas military installations should send voted ballots by October 13, 2012
- Stateside Uniformed Service members and their families should send voted ballots by October 29, 2012.

Share Your Good Ideas

After each Federal election, the Services and Department of State issue After-Action Reports that include good ideas submitted by VAOs to improve the absentee voting process.

Good ideas are processes and procedures that help the citizens you assist and help you to perform your duties. Good ideas enhance lines of communication among VAOs at all levels and enable you to improve your voting assistance efforts.

Your good ideas may come from a variety of sources:

- Personal experiences
 - Assessments, audits, and appraisals
 - Training evaluations
 - Operational Readiness Reviews
 - Critiques, analyses, and investigations
 - Process improvement initiatives
- VAO training
 - Voting activities, such as registration drives

Have a good idea? Submit it to your Service Voting Action Officer. (Contact information is on the inside front cover.) Overseas citizen organization VAOs may submit their ideas directly to FVAP via email at vote@fvap.gov. Be sure to include a clear statement of your idea and your complete contact information.

On the following pages, you will find these four handouts which you can copy and distribute to assist voters: Frequently Asked Questions for Uniformed Service Members, Frequently Asked Questions for Overseas Citizens, 2012 Primary Election Dates, and U.S. Embassy and Consulate Email Addresses.

You can also find these handouts at www.fvap.gov.

Frequently Asked Questions

Can I vote absentee?

You may vote absentee in any election for Federal office if you are a U.S. citizen 18 years or older and are a U.S. citizen residing outside the United States. Only certain States allows U.S. citizens who have never resided in the United States to vote. For more information, go to: <http://www.fvap.gov>.

Do I have to be registered to vote absentee?

Registration requirements vary from state to state. Most states and territories require registration to vote absentee. Voter registration and absentee ballot request can be done at the same time by submitting the Federal Post Card Application (FPCA). If you are already registered to vote and only wish to request a ballot, you should submit your FPCA as soon as possible.

Where do I send my Voter Registration/Absentee Ballot Request?

Your Voter Registration/Absentee Ballot request form must be completed, printed, signed, dated and mailed directly to your local election official. These officials will handle the processing and distribution of your absentee ballots and may need to contact you for further information or clarification. To facilitate this process, please provide a current email address, phone and fax number on your application.

When mailing election materials to my state or territory, do I have to pay postage?

When mailed from any U.S. post office, U.S. embassy or consulate, or APO/FPO mail facility, the hardcopy voter registration/absentee ballot form is postage-paid. In order to receive free postage, the online version of the form must be mailed in an envelope printed with our postage-paid envelope template. You may mail the completed form in an envelope with proper postage affixed. Ensure that your form is postmarked (see postmarking instructions below) and sent to arrive before your state's specific deadline. You must pay postage if the materials are mailed from a non-U.S. postal facility.

It is recommended that voted ballots be mailed from your location outside the U.S. rather than be given to another individual to be placed in the U.S. postal system. If the ballot is postmarked from any location inside the U.S. your local election official may not count your ballot.

What is a postmark and how do I make sure I get one?

A postmark is a postal marking made on a piece of mail indicating the date and time that the item was accepted by the postal service. Postmarks are used to determine if voting materials have been mailed by state deadlines. Due to varying mail pick up times, the day you 'mail' your election mail may not be the day the postal facility postmarks it.

You may ask the mail clerk to hand stamp the election material so that a date is clearly visible. In certain situations a handwritten postmark and signature from you or a notarizing official may be sufficient.

When is the best time to apply for an absentee ballot?

We recommend that you register to vote/request an absentee ballot in January of each year, or at least 45 days before Election Day.

Must I submit a separate application for each election?

A citizen usually does not need to submit a separate application for each election. To ensure that you receive absentee ballots for all elections in which you are eligible to vote, we recommend that you submit a new Federal Post Card Application in January of each year and whenever you have a new mailing address. If you are requesting an absentee ballot for a specific election, note in Block 9 the election for which you are requesting the ballot, i.e., "Primary (or Special, or General) election only".

Refer to the individual State Pages in Chapter 2 for additional information about State and Territory requirements.

When should I receive my ballot? What happens if I do not receive a ballot from my local election office?

States and territories begin mailing ballots at least 45 days before an election.

If you have requested an absentee ballot from your State but have not received it, you can also vote by using the back-up Federal Write-In Absentee Ballot (FWAB). You may submit the FWAB at any time after you submit your FPCA.

In order to be eligible to use this back-up ballot, you must:

- Be absent from your voting residence;
- Have applied for a regular ballot early enough so the request is received by the appropriate local election official not later than the State deadline;

or the date that is 30 days before the general election; AND

- Have not received the requested regular absentee ballot from the State.

If you have not received your ballot one month before the election:

- Go to FVAP.gov and see what online ballot delivery tools are available for your state.
- Use the FWAB wizard available at FVAP.gov to complete a back-up ballot and submit it to your local election official. If you cannot access FVAP.gov, you can obtain a hardcopy of the form from your Voting Assistance Officer at military installations or at U.S. embassies/consulates.
- Contact your local election official to determine the status of your ballot. Contact information is available at FVAP.gov.
- When you receive your regular absentee ballot, complete it and return it regardless of when you receive it. Your local election official will ensure that only one of the ballots is counted.

All FWABs must be completed, printed, signed, dated, and submitted to your local election official. Check out your state's instructions to determine your state specific instructions, witness requirements for voted ballots, deadlines, and mailing addresses.

Questions for Uniformed Services/ Family Members

Can I vote absentee?

You can vote absentee in local, state and Federal elections if you are a U.S. citizen 18 years or older and are an active duty member of the Armed Forces, Merchant Marine, Public Health Service, NOAA, a family member of the above, or a U.S. citizen residing outside the United States.

Where is my "legal voting residence"?

For voting purposes, "legal voting residence" can be the state or territory where you last resided prior to entering military service OR the state or territory that you have since claimed as your legal residence.

Even though you may no longer maintain formal ties to that residence, the address determines your proper voting jurisdiction. To claim a new legal residence, you must have simultaneous physical presence and the intent to return to that location as your primary residence.

Military and their family members may change their legal residence every time they change permanent duty stations, or they may retain their legal residence without change. This may mean that the family's Uniformed Service member has a different legal voting residence than his/her family members. A Judge Advocate General officer or legal counsel should be consulted before legal residence is changed because there are usually other factors that should be considered besides voting.

My family members are not in the military; can they also vote absentee?

Yes. Eligible spouses and dependents (U.S. citizens, 18 years or older) of military personnel may vote absentee. Some states allow children of military personnel residing overseas who are U.S. citizens but who have never resided in the U.S. to claim one of their U.S. citizen parent's legal state of residence as their own. Check out our list of states allowing this.

How do I register to vote or request an absentee ballot?

You may register and request an absentee ballot with a single form: The Federal Post Card Application. This application form is accepted by all states and territories and is postage- paid in the U.S. mail, including the Military Postal System and State Department Pouch mail. Hard copies of the form can be obtained from your installation's Voting Assistance Officer or requested directly from the Federal Voting Assistance Program by contacting us.

An online version of the FPCA is also available. The online version of the form must be mailed in an envelope with proper postage, or mailed using our prepaid return envelope.

Your Voter Registration/Absentee Ballot Request form must be completed, printed, signed, dated and mailed directly to your local election official.

Can I vote in-person where I am stationed?

Military members may vote in the U.S. state or territory where stationed if they change their legal residence to that state or territory, even if they live on a military installation. Be advised that there may be legal obligations, such as taxation, if you change your state of residence. Therefore, consult a Judge Advocate General officer or legal counsel before making such a decision.

Currently there are no provisions for personnel stationed outside the U.S. to vote in-person where stationed.

Questions for Overseas Citizens

Can I vote absentee?

You can vote absentee in any election for Federal office if you are a U.S. citizen 18 years or older and are a U.S. citizen residing outside the United States.

If I do not maintain a legal residence in the U.S., what is my "legal state of residence"?

Your "legal state of residence" for voting purposes is the state or territory where you last resided immediately prior to your departure from the United States. This applies to overseas citizens even though you may not have property or other ties in your last state of residence and your intent to return to that state may be uncertain.

When completing block 7 of the Voter Registration/Absentee Ballot Request form, be sure to enter the entire mailing address of your last residence, including rural route and number. That address determines your proper voting jurisdiction.

Some states allow children of U.S. citizens residing overseas who are U.S. citizens but who have never resided in the U.S., to claim one of their parent's legal state of residence as their own. Check out our list of states allowing this.

How do I register to vote, or apply for an absentee ballot?

You may register and request an absentee ballot with a single form: The Federal Post Card Application. This application form is accepted by all states and territories and is postage- paid in the U.S. mail, including the Military Postal System and State Department Pouch mail. Hard copies of the form can be obtained from a U.S. embassy or consulate or requested directly from the Federal Voting Assistance Program by contacting us.

An online version of the Voter Registration/Absentee Ballot Request form is also available. The online version of the form must be mailed in an envelope with proper postage, or mailed using our prepaid return envelope.

Your Voter Registration/Absentee Ballot Request form must be completed, printed, signed, dated and mailed directly to your local election official.

Can I register or vote in-person at the embassy or consulate?

There are no provisions for in-person voting or on-site registration at U.S. embassies or consulates. U.S. embassy and consular officials can assist U.S. citizens in completing the Voter Registration/Absentee Ballot Request form or other election materials for their state, witness election materials (if required), and provide other absentee voting information.

You may mail election materials from U.S. embassies and consulates. Remember to make sure that all election material is postmarked.

U.S. Embassy and Consulate Email Addresses

U.S. embassies and consulates can provide American citizens with voting forms and information about absentee voting, and can mail voter registration and absentee ballot request forms, and voted ballots back to the United States. Embassies and consulates can also advise voters on local mailing options and estimated mail transit times. In addition, the embassy or consulate can notarize or witness voting materials (if required by the State) free of charge. American citizens cannot vote in person at U.S. embassies or consulates, nor can embassies or consulates receive mail or blank ballots on behalf of voters.
